

2023 Kansas Statutes

74-127. Abolition of advisory committee to the state board of agriculture on anhydrous ammonia, pesticide advisory board, state telecommunications advisory committee and advisory committee to the executive director of the Kansas water resources board for weather modification. On July 1, 1984, the following state agencies are hereby abolished:

- (a) The advisory committee to the state board of agriculture on anhydrous ammonia created by K.S.A. 2-1213;
- (b) the pesticide advisory board created by K.S.A. 2-2458;
- (c) the state telecommunications advisory committee created by K.S.A. 75-4711; and
- (d) the advisory committee to the executive director of the Kansas water resources board for weather modification created by K.S.A. 82a-1404.

History: L. 1984, ch. 1, § 1; July 1.
