

2023 Kansas Statutes

74-6612. Public agencies and instrumentalities empowered to dedicate preserves. Public departments, commissions, boards, counties, municipalities, corporations, colleges, universities and all other agencies and instrumentalities of the state and its political subdivisions are empowered and urged to dedicate as natural and scientific preserves under the procedures of this act, suitable areas or portions of areas within their jurisdictions.

History: L. 1974, ch. 322, § 12; July 1.
