

2023 Kansas Statutes

75-3051. Same; notification of amendment. If any application or agreement provided to the director of the budget or the director of legislative research in accordance with K.S.A. 75-3050 and amendments thereto, is amended, the state agency shall notify the director of the budget and the director of legislative research of such action in the manner and form prescribed by the director of the budget. The state agency shall provide the director of the budget and the director of legislative research a copy of the amendments to the application or agreement when requested by the director of the budget or the director of legislative research.

History: L. 1967, ch. 462, § 3; L. 1982, ch. 351, § 2; July 1.
