

## 2023 Kansas Statutes

**75-37,165. Transfer of funds and liabilities.** (a) The balances of all funds or accounts thereof appropriated or re-appropriated for the division of health care finance of the department of health and environment or any state agency, department, board, commission or council, relating to the powers, duties and functions involving the administration of the state employee health benefits plan by K.S.A. 65-1,252 through 65-1,258, and amendments thereto, are hereby transferred within the state treasury to the department of administration for the division of the state employee health benefits plan and shall be used only for the purpose for which the appropriation was originally made.

(b) Liability for all accrued compensation or salaries of officers and employees who are transferred to the department of administration and the division of the state employee health benefits plan pursuant to this order shall be assumed and paid by the division of the state employee health benefits plan of the department of administration.

**History:** Executive Reorganization Order No. 45, § 4; July 1, 2020.
