

2023 Kansas Statutes

75-7210. Same; reports to legislative branch. Not later than November 1 of each year, the executive, judicial and legislative chief information technology officers shall submit to the joint committee and to the legislative research department all information technology project budget estimates and amendments and revisions thereto, all three-year plans and all deviations from the state information technology architecture submitted to such officers pursuant to K.S.A. 75-7209, and amendments thereto. The joint committee shall review all such estimates and amendments and revisions thereto, plans and deviations and shall make recommendations to the house standing committee on appropriations and the senate standing committee on ways and means regarding the merit thereof and appropriations therefor.

History: L. 1998, ch. 182, § 10; L. 2001, ch. 25, § 1; L. 2023, ch. 75, § 10; July 1.
