

2023 Kansas Statutes

82a-634. Same; holders of stock or certificates to hold benefit units. Holders of shares of stock and/or membership certificates in the corporation or cooperative electing to convert to a rural water district shall hold benefit units in the water district established in the same number as they were entitled to water services in the previously existing corporation or cooperative.

History: L. 1959, ch. 415, § 9; April 4.
