

Journal of the Senate

FORTY-FOURTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, March 17, 2011, 2:30 p.m.

The Senate was called to order by Vice President John Vratil.
The roll was called with thirty-eight senators present.
Senators Donovan and Wagle were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

They say everybody's Irish
On St. Patrick's Day.
Everyone is wearing green
And there's a parade today.

What St. Patrick's famous for
Is chasing out the snakes,
But what was more important
Was turning sinners into saints.

Actually, You did it, Lord,
But St. Patrick was Your man
Who helped sinners get to know You,
And built churches in the land.

But isn't that just like us, Lord,
To focus on the snakes,
While in the meantime peoples lives
Were being changed, for goodness sake!

We focus on the trivia,
And ignore important things.
We pacify our appetites
And ignore the KING OF KINGS!

Lord, Help us not to spend much time
On what happened to the snakes.
It's like consuming cotton candy

When we could be eating steaks!

I pray in the Name of Jesus Christ, AMEN

The pledge of allegiance was led by Vice President John Vratil.

EXPLANATION OF VOTE

MR. VICE PRESIDENT: As seemingly the Kansas Senates' most stalwart civil libertarian and as a consistent fiscal conservative, it is my distinct honor to be the SOLITARY vote against **HB 2049**, intending to ban chemical compounds used as a recreational, euphoria-producing drug with nicknames such as "K-3."

Last year during the 2010 Session, I alone voted against a ban on “K-2” attempting to reason then that the demand for natural, and also now for synthetic, marijuana has not abated over many decades. I explained that a trillion-plus dollar “war on drugs” has been costly; ineffective and has created a “criminal” class of people whose only “crime” was in choosing to ingest a product proven to be safer to the human body than tobacco, alcohol, or many prescription drugs. I attempted to reason then, and now, that we should regulate and tax both this naturally grown crop and synthetic chemical compounds for recreational and/or medicinal uses. We should free our jail and prison beds of possession offenders and, since neither product has been found to be addictive, use those funds to help recovering alcoholics, prescription drug addicts and cigarette smokers to quit their habits.

Last year, “K-2” which, after the hyperbole died down, only fourteen (14) States end up with a ban. This year, the hype is “K-3”. Next year, “K-?” Mr. Vice-President, why continue to waste the Legislature’s precious and costly time in attempting to prohibit people from the pursuit of ever-evolving relatively benign flights of fancy? There ARE legal, truly dangerous substances which cannot be outlawed found on hardware store shelves that folks might then turn to for euphoria (or “highs”). For the record, I DID vote to ban “bath salts” on a roll call vote amendment to **HB 2023** on March 15 of this year. “Bath salts” were amended to this bill (**HB 2049** pertaining to “K3”) as if all chemical substances are all the same, which reasonable people realize is not so.

Today, Kansas Legislative history will once again record that only ONE Senator dared to brave the hypocrisy and to outspokenly support what the majority in this Chamber, I believe, TOO know to be the Truth. I am proud to be that one Senator. – DAVID HALEY.
