Dear Representative Rhoades:

Unfortunately our only state vehicle, a 2011 Chevy Impala, was involved in a bad accident this month and appears to be totaled. I'm writing to request an increase of \$17,388 for a replacement vehicle in the current FY 2012 budget for the Kansas State Board of Mortuary Arts. All of our agency funds are fee funds as the agency does not receive any State General Funds.

I apologize for the late notice of this request and would appreciate any assistance you and the committee could provide. We will utilize a rental car until such time that the situation is resolved.

Thank you in advance for any assistance you can provide. Please feel free to contact me if I can answer any questions, provide additional information or be of further assistance.

Sincerely,

Mack Smith, Executive Secretary
Kansas State Board of Mortuary Arts
