

LICENSE EXPANSION OPTIONS

Extend Effective Date: 5 years or 2017

Wine and Beer only in grocery and convenience stores

Two Tiers of Licenses: 1) Wine and Beer; 2) Spirits

Cap on Liquor Licenses: increases only with population growth: example 800

Transferability of existing licenses to non-liquor store retailers beginning at effective date

License Fee based on square footage of overall facility

Phase-in of licenses to non-liquor store retailers: example 40 new licenses per year and one per county

County opt-out

Minimum check-out age of 21

No signage on non-liquor store operations

No separate exterior door for egress or ingress

Wine and beer products must be located and displayed only in one area of store

License expansion only for grocery stores and convenience stores that sell gas: example, exclude pharmacies

Only liquor stores can distribute to bars and restaurants

Penalties same for all stores
