

HOUSE BILL No. 2353

By Committee on Federal and State Affairs

2-17

AN ACT concerning the personal and family protection act; amending K.S.A. 2010 Supp. 75-7c10 and section 194 of chapter 136 of the 2010 Session Laws of Kansas and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) The carrying of a concealed handgun as authorized by the personal and family protection act shall not be prohibited in state or municipality facilities or premises unless such facilities or premises have adequate security measures to ensure that no weapons are permitted to be carried into or on such premises or facilities.

(b) No state agency or municipality shall prohibit an employee who is licensed to carry a concealed handgun under the provisions of the personal and family protection act from carrying such concealed handgun at the employee's work place unless the work place has adequate security measures and is properly posted prohibiting concealed carry.

(c) It shall not be a crime for a person to carry a concealed handgun in or on the facilities or premises so long as that person is licensed to carry a concealed handgun under the provisions of the personal and family protection act and has authority to enter through a restricted access entrance to a state or municipal facility or premises which provides adequate security measures and is properly posted prohibiting concealed carry.

(d) Nothing in this act shall prohibit a state agency or municipality from instituting employee policies restricting concealed carry of a handgun by a person who is licensed to carry concealed handgun under the provisions of the personal and family protection act in state or municipal facilities or premises which provides adequate security measures and is properly posted prohibiting concealed carry.

(e) Nothing in this act shall limit the ability of a corrections facility, a jail facility or a law enforcement agency to prohibit the carrying of a concealed weapon by any person on such premises.

(f) For purposes of this section:

(1) "Adequate security measures" means the use of electronic equipment and personnel at public entrances to detect and restrict the carrying of any weapons into the facility or on such premises, including, but not limited to, metal detectors, metal detector wands or any other
