Testimony of
Doug Jorgensen
Director, Alcoholic Beverage Control

March 5, 2012

Good afternoon Mr. Chairman and members of the committee. I thank you for the opportunity to present written neutral testimony on HB 2689.

ABC worked with Representative Gregory, the Revisor of Statute's office and industry members on the language for both the bill and the balloon amendment. All parties agreed on the language submitted to the Revisor for the amendment.

ABC neither supports nor opposes this bill, and expresses no concern with the intent or language of the bill or balloon amendment.
