Chairman Brunk and members of the Federal and State Affairs Committee:

I own a bed and breakfast in Baldwin City, Kansas. We are one of only two lodging properties in Baldwin City. Our business has felt the effects of the economy this last year, as we are a small town with few visitors.

The dinner train needs a liquor license to operate in Douglas/Franklin counties and that business would help my business by providing weekend overnight stays. I believe the dinner train would help our town become a destination for tourism.

I encourage you to support the passage of a liquor license for railcars with HB 2689.

Sincerely,

Shawna Garber
