Representative TerriLois Gregory
Kansas House of Representatives
District 10 State Representative
300 SW 10th St
Topeka, KS 66612-1504

Dear Representative Gregory:

I am writing to support your efforts to bring a new dinner railcar business to Douglas County. A business such as this, with a potential connection to the area's historical and cultural heritage, creates a potential to attract heritage tourism to the area. In addition, it holds the possibility of potential partnerships for cultural institutions like the Douglas County Historical Society and the Watkins Museum.

I support your effort to change the liquor license laws to make operation of this type of business possible in Kansas.

Sincerely,

Steven J. Nowak
Executive Director

House Federal & State Affairs
