Dear Chairman Brunk and members of the Federal and State Affairs Committee,

My name is RD Johnson, owner of the High Noon Saloon & Brewery, Leavenworth, KS. We are a landmark restaurant and brewery producing world class beers right here in the great State of Kansas. Whenever an opportunity arises to distribute our product in or out of the State of Kansas, it strengthens our business, provides employment (over 50 people), and generates tax revenue for the State. The Dinner Train to Baldwin City is a great venue to sell our quality Kansas Beer to visitors, tourists, and local citizens. I encourage you to support an opportunity to expand our economy through this venue by allowing a liquor license to operate in the Douglas/Franklin county area for this train. Please pass a liquor license for railcars with HB 2689. Thank you!

Sincerely,

RD Johnson
