SB 390

Testimony of
Doug Jorgensen
Director, Alcoholic Beverage Control

March 29, 2012

Good afternoon Mr. Chairman and members of the committee. I thank you for the opportunity to present written testimony on SB 390.

ABC supports the passage of this bill. We consulted with the Department of Agriculture on the original content of the bill and were in agreement that the principal ideas of the bill were workable and would benefit the farm winery industry. ABC has no concerns about enforcement of the liquor control act with this bill.
