

CHILD CARE AND EARLY EDUCATION PORTAL

Screen Shot 1: Child Care Licensing website highlights the portal and facility compliance search link

The screenshot shows the website header for the Kansas Department of Health and Environment. It features the state seal and the names of Governor Sam Brownback and Secretary Robert Moser, MD. A navigation menu includes links for Home, Public Health, Environment, Health Care Finance, Laboratories, and News. Below the menu, the page title is 'BFH - Child Care Licensing (CCL)'. A search box is present under the heading 'A to Z Topic Listing'. A note on the right side of the page states that as of July 1, 2012, Psychiatric Residential Treatment Facilities (PRTFs) moved from KDHE to KDADS. The main heading is 'Child Care Licensing', followed by contact information for the Curtis State Office Building in Topeka, KS. A box highlights 'Child Care Licensing Initiatives' and provides a link to the 'Child Care and Early Education Portal' for searching facility compliance information. The page is dated as last updated on 09/12/2012. On the right, there are four small photos of children and a quote: 'Good Beginnings Last a Lifetime'.

Screen Shot 3: Multiple search fields are available to the user including license number (7-digit unique identifier), owner name, facility name, program/license type, city, and zip code. The user is required to enter at least three letters in the owner name field. The license number is easy to obtain (clearly printed on the license conspicuously posted in the facility, Child Care Resource & Referral Agency, KDHE):

What You Need to Know About This Report:

Information presented on this website is public record provided by the Kansas Department of Health and Environment (KDHE). The KDHE administers the child care licensing law and issues licenses for child care facilities. The main purpose of child care regulation is to protect the health, safety, and welfare of children receiving care away from their home.

"Maximum Capacity" represents the maximum number of children allowed on the premises of a child care facility. Maximum capacity for Day Care Homes varies depending on the number of adults present as well as the number and ages of children in care at any given time.

Three years of compliance history is provided for the facility. Therefore, information contained in the report may not reflect the complete history of the facility's compliance. Additional information and records may be available. Public records contained in the file of a child care facility may be requested from KDHE in accordance with the Kansas Open Records Act (KORA) pursuant to K.S.A. 45-215 et seq. Disclosure of certain information is prohibited pursuant to K.S.A. 65-625 and other statutes regarding confidential information. For more information about Child Care Licensing and the requirements for child care facilities, please visit the KDHE website.
