Mike King, Secretary
Wade Wiebe, Director

Sam Brownback, Governor

**TESTIMONY BEFORE
JOINT LEGISLATIVE BUDGET COMMITTEE
REGARDING SURPLUS PROPERTY SALES**

November 14, 2012

Madam Chair and Committee Members:

I am Wade Wiebe, Director of Partner Relations for the Kansas Department of Transportation (KDOT). Thank you for allowing me to provide testimony today regarding KDOT's surplus property sales. When Secretary King was appointed he identified finding efficiencies as one of his top priorities. In that effort the agency has continued to evaluate the use of state equipment and the most cost effective way to utilize our resources. We continue to identify and sell equipment that is duplicative or unnecessary to the agency. In addition, the agency is still in the process of analyzing which equipment is more cost efficient to own and maintain or to rent on an as-needed basis.

KDOT held a Purple Wave auction in October that yielded \$854,562.50 in sales. Of this amount \$13,262.50 came from KDOT headquarters capital and non-capital property valued below \$5,000. This consists of office equipment such as computers, furniture, and other office supplies. In addition, \$841,300 came from district equipment such as vehicles, trucks, tractors, graders, trailers and other shop equipment. These funds are deposited directly back into the State Highway Fund.

The agency is holding a second Purple Wave auction during the month of November. As of November 13, 2012 the November auction has yielded \$1,301,660. This auction will close on November 20. A detailed list of equipment sold during the October auction and items that will be sold during the November auction is attached.

The Secretary continues to be committed to closely examining the use of the department's equipment in order to provide the best value to Kansans at the least cost.

Thank you again for allowing me to present to the committee regarding KDOT's Surplus Property sales. I would be happy to stand for questions at the appropriate time.

Legislative Budget Committee
November 14-15, 2012
Attachment: 15

**Legislative Budget Committee
