

Pass Bill 278.

Ladys and Gentlemen ,
My name is Sierra Love , I live in Wichita Kansas. I would like to talk to you about a major peroblem in our schools Bullying.

I have seen bullying that ranges from Verbal, Physical and cyber ! In Kansas , Bullies have the uper hand ,and there is no effective consequences ! School is the one place you should feel safe and know that bullies will be dealt with. Right now we are the victims of bullying and we have no place to go! It does not happen just at school it follows you home through cyber abuse. My friend Rhianna took her own life because she thought there was no one she could go to, or that the bullying wouldn't stop! Teachers and Parents knew about her situation but nobody did anything to stop it ! As a student , I see bullying happen almost everyday and adults also see it but there is not much they can do to stop it unless a Law here in Kansas is passed ! I urge you to pass Bill 278 ! Stop Bullying ! Save a Life !
Thank You!
