

To whom this may concern:

My name is JoSynn Lane. I'm writing this letter to help get bill # 278 passed, because I'm really against bullying.

The reason I'm against bullying is that I have a 13 year old son who goes to Grissell middle School in Wichita Kansas that gets bullied on a constant basis. His name is Scottie Jordan Rogers. These are some things I found in his planner from school that a parent has to sign everyday.

Why is it me? What did I do? Did I do something wrong? Why does everyone hate me? Why is it that everyone turns on my back? Why is it that I feel like I did something wrong? Why is my pain getting worse? Why is it that I am accountable for everyone's actions? Why am I getting stalked in the back of my best friends?

Maybe I am an idiot, or maybe I am stupid? Is it ~~always~~ always going to be like this? Am I always going to have this much pain?

Can U Explain?

Is there a reason everyone hates me?
Is it my fault? Do I deserve this pain?
Does no one appreciate what I am and how I act? As everything always going to follow me? Why does everyone hate me? Why I the victim? What did I do? Am I really that bad person people can't stand to see?
Am I going to be the same? Is there a reason to all this pain and agony rolling through my back?

So now as a mother all I do is worry everyday about my son. I'm afraid I'm going to come home one day and find him really hurt or worse.
So please pass bill # 278.

Sincerely,
Godynn Lane
