Testimony on **House Bill 2273**
to the
Senate Transportation Committee
By Senator Mark Taddiken

February 8, 2012

Chairman Umbarger and Committee members,

Thank you for the opportunity to visit with you today in support of **HB 2273**.

As you are aware, this bill would name a portion of Highway K-99 in honor of the men from Frankfort who gave their lives in support of our country in World War II. We know of no other community that sacrificed to the degree Frankfort did.

I ask that you give your full attention to the conferees. The story is compelling and heart rendering.

Please give **HB 2273** favorable consideration.
