National Solid Wastes Management Association

Hon. Senator Umbarger  
Senate Transportation Chair  
2/15/2012  
Re: Senate Resolution No. 1806

Chairman Owens and members of the committee:

The National Solid Wastes Management Association is a trade association representing for-profit companies that provide solid, hazardous and medical waste collection, recycling and disposal services. The Kansas Chapter of the National Solid Wastes Association supports passage of SR 1806 and encourages the Senate Transportation Committee to adopt the resolution.

As stated in the resolution, the lifting of this freeze would allow for more productive trucks and allow Kansas to determine the appropriate vehicle size and weight limits necessary for the economic needs of the state.

NSWMA-KS respectfully request your support of SR 1806.

Sincerely,

Patrick Vogelsberg
