

Testimony on House Bill 2612

Senate Transportation Committee

Presented by:

Derrick Wayne Barger

Royal Valley Middle School

Good Morning, Chairman Umbarger and members of the Senate

Transportation Committee. My Name is Derrick Barger, I'm a

member of the 8<sup>th</sup> grade Royal Valley Middle School Barnes

Brothers Memorial Highway Committee. The purpose of this

project is to honor these two great baseball players and citizens.

Virgil and Jesse Barnes accomplished many great things both

during their baseball careers, and after. This sign will not only

honor these men, but this community, and the people who helped

raised them. The research on this project is ongoing, and we

continue to find new and interesting facts about these brothers.

This group is willing to see this project through to the end, as well

as raise the funds necessary for the purchase of this sign. Thank

you for your time and consideration of are bill.
