Dennis Allin, M.D., Chair Steven Sutton, Executive Director

Board of Emergency Medical Services

Sam Brownback, Governor

February 13, 2012

The Honorable Senator, Carolyn McGinn, Chair Senate Ways and Means Capitol Building, Room 545-S Topeka, Kansas 66612

Madam Chair:

In accordance and fulfillment of 2009 Session Laws, Chapter 124, Section 89 regarding the Emergency Medical Services Board which states:

- (a) Provided, That, if an organization agrees to receive money from the EMS revolving fund, the organization shall enter into a grant agreement requiring such organization to submit a written report to the emergency medical services board detailing and accounting for all expenditures and receipts related to the use of the moneys received from the EMS revolving fund: Provided further, That the emergency medical services board shall prepare a written report specifying and accounting for all moneys allocated to and expended from the EMS revolving fund: And provided further, That such report shall be submitted to the house of representatives committee on appropriations and the senate committee on ways and means on or before February 1, 2009.
- (c) In addition to the other purposes for which expenditures may be made by the emergency medical services board...the emergency medical services board for fiscal year 2009 to require emergency medical services agencies in each of the six EMS regions of the state to prepare and submit a report of the expenditures made and moneys received in the EMS region are related to the operation and administration of the Kansas emergency medical services examination to the emergency medical services board: Provided, That the report for each EMS region specify and account for all moneys appropriated from the state treasury for the emergency medical services board and disbursed to such EMS region for the operation of the most recently conducted Kansas emergency medical services examination in such EMS region.

The enclosed document details revenues and expenditures accounted for and expended from the EMS Revolving Fund, and those revenues and expenditures provided to and expended by the six (6) EMS Regional Councils.

If a formal presentation is required or requested, please contact Patti Artzer or myself at (785) 296-7296.

Steven Sutton

Executive Director

Senate Ways & Means

Date:

KBEMS Revolving and Assistance Fund (KRAF) Grant Program

The KBEMS Revolving Grant fund is a state funded grant program for Kansas EMS agencies and organizations to provide financial assistance based on demonstrated financial need. Funding is also recommended on the documented need of the specific item being requested. The primary goal of this program is to financially assist EMS agencies and organizations to purchase EMS equipment, vehicles and assist in education and training. Financing is derived from 2.5 percent of fines, penalties and forfeitures through the passage of 2007 SB 8.

The KRAF IS distributed through both a direct appropriation to the EMS Regional Councils and through reimbursement and/or payment from the state to the grantee to purchase for the awarded item(s). The KRAF requires the grantee to make the purchase for the awarded item/program through Fisher Scientific (Quarter Master Program) or submit a waiver (through the State waiver process). The amount awarded through the KRAF is based on the approved amount requested for the item or project.

Distribution methodology is two-fold:

<u>Direct Regional Distribution (DRD)</u>: Directly to the six (6) EMS Regional Councils to maintain an overall Regional preparation and education in emergency medical services, homeland security, and education and training opportunities that benefit that geographical area. A percentage or amount of the total allocation will be provided directly to the EMS Regional Councils. The amount would total six (6) percent of the total grant or the equivalent of \$25,000 in total EMS Regional Funding from KBEMS (\$5,625 or whichever is less).

<u>Individual Competitive Distribution (ICD)</u>: Applications will be accepted from individual services for training, education, equipment, which enhances the licensure and/or certification of the applicant.

The Financial Assistance Review Committee, better known as FARC, is the committee which reviews applications for the KBEMS Revolving and Assistance Fund (KRAF) grants. The purpose of FARC is to review the KRAF grant applications from eligible licensed Emergency Medical Services (EMS) agencies. FARC is composed of seven members, including a chairman, who each represent an EMS region throughout Kansas.

KBEMS REVOLVING AND ASSISTANCE FUND (KRAF) GRANT PROGRAM

History

2007 Senate Bill 8 pertained to television-type receiving equipment; school speed zones; idle reduction technology; tow trucks; safety belts; emergency medical services license plates; worksite utility vehicles; and all-terrain vehicles.

Safety Belt Provisions. These provisions defined "passenger car" as a motor vehicle manufactured or assembled after January 1, 1968, or a motor vehicle manufactured or assembled prior to 1968 which was manufactured or assembled with safety belts, with motive power designed for carrying 10 or fewer passengers, including vans; required a person 18 years of age or older, sitting in the front seat of a passenger car, to wear a safety belt at all times when the car is in motion; required occupants of a passenger car manufactured with safety belts in compliance with federal motor vehicle safety standard no. 208, who are 14 to 17 years of age, to wear a safety belt at all times when the vehicle is in motion; provided that from and after July 1, 2007 to December 31, 2007, a law enforcement officer will issue a warning citation to safety belt law violators; fined front seat occupants of a passenger car \$30 including court costs for not wearing a safety belt; and provided that from and after January 1, 2008, persons 14 to 17 years of age not wearing a safety belt will be fined \$60 including court costs.

The bill also created the Traffic Records Enhancement Fund to enhance and upgrade the traffic records systems in the state and create the EMS Revolving Fund to improve and enhance emergency medical services in the state. The bill also would provide that remittance from fines, penalties, and forfeitures received by the district will credit 2.5 percent of such monies to: the Children's Advocacy Center Fund; the EMS Fund; the Trauma Fund; and the Traffic Records Enhancement Fund The remainder of remittances would go to the State General Fund

The bill also authorized the issuance of nontransferable emergency medical services license plates. The plates will be available on and after January 1, 2008 to any resident owner or lessee of one or more passenger vehicles, trucks of a gross weight of 20,000 pounds or less, or motorcycles. The bill also required that an applicant provide proof to the Director of Vehicles that he or she is an emergency medical services attendant. Renewals of the license plate will be made annually.
