

**Testimony before the Kansas Senate Committee on Ways and Means
on HB 2703**

Chairperson Carolyn McGinn

**Testimony presented by: Secretary Dennis Taylor,
Kansas Department of Administration**

March 13, 2012

Madam Chairperson: It is a privilege and an honor to address the Committee on Way and Means today regarding HB 2703. HB 2703 is the result of Governor Brownback's initiative to repeal outmoded, unreasonable, duplicative, onerous or unduly burdensome statutes and regulations. HB 2703 encompasses statutes that fall within the category of being outmoded.

HB 2703 lists the following statutes for repeal: K.S.A. 75-4602, K.S.A. 75-4607, K.S.A. 75-4615, K.S.A. 75-4616 and K.S.A. 2011 Supp. 75-4603. These statutes address the operation of a central motor pool for state agencies. The central motor pool was eliminated under the Sebelius administration, therefore, these statutes are neither in use nor necessary.

The Office of the Repealer urges favorable consideration of HB 2703.

I will stand for any questions that the committee has for me regarding HB 2703.
