Chair Burgess noted that committee attendance was low due to the snow storm, resulting in all local school districts closing and state employees coming in later or off for the day. No action will be taken at this meeting.

Chair Burgess reviewed a draft of the agenda for next week's committee meetings, which includes briefings from several state agencies. He added that as soon as bills are drafted, hearings will be scheduled for the Government Efficiency Committee.

The Chair asked if there was any other business or bills to be introduced. There were none.

The next meeting is scheduled for Monday, January 24, 2011.

The meeting was adjourned at 3:41 p.m.
