

STATE OF KANSAS

SENATE CHAMBER

MR. PRESIDENT:

I move to amend **SB 8**, on page 2, following line 8, by inserting "(4) Notwithstanding any of the provisions of paragraphs (2) and (3), any "information technology project" that is funded by moneys expended from or otherwise transferred from the Kansas universal service fund shall be deemed an "information technology project" as that term is defined in paragraph (1).

(5) Notwithstanding any of the provisions of paragraph (2), any project for a major computer, telecommunications or other information technology improvement that has proposed expenditures greater than \$250,000, but less than \$1,000,000 for: (A) Any project, other than infrastructure projects, that has proposed expenditures for new equipment or software; or (B) data or consulting or other professional services for such a project shall be implemented in compliance with the information technology architecture adopted by the information technology executive council pursuant to K.S.A. 2010 Supp. 75-7203, and amendments thereto. Each calendar quarter the state university shall file a high-level information technology project plan that includes a risk assessment and management plan with the chief information technology officer."
