The Honorable Carl Holmes, Chairperson
House Committee on Energy and Utilities
Statehouse, Room 174-W
Topeka, Kansas 66612

Dear Representative Carl Holmes:

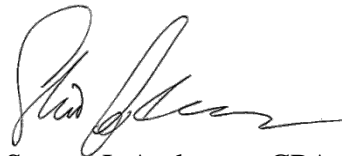

SUBJECT: Fiscal Note for HB 2143 by House Committee on Energy and Utilities

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2143 is respectfully submitted to your committee.

HB 2143 would allow electric generation, transmission, and distribution facilities to recover costs for energy storage devices as they currently do for other capital investments.

Passage of the bill would have no fiscal effect on the Kansas Corporation Commission; however, it may increase revenues to electrical generation, transmission and distribution facilities.

Sincerely,

Steven J. Anderson, CPA, MBA
Director of the Budget
