The Honorable Richard Carlson, Chairperson
House Committee on Taxation
Statehouse, Room 274-W
Topeka, Kansas 66612

Dear Representative Carlson:

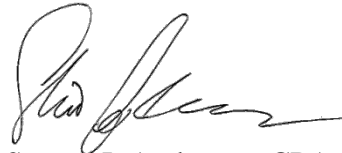

SUBJECT: Fiscal Note for HB 2176 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2176 is respectfully submitted to your committee.

HB 2176 would amend existing law to delay the date by which governing bodies of all taxing subdivisions must certify to the county clerk the amount of property tax to be levied from on or before August 25, to on or before September 25.

According to the Kansas Department of Revenue, passage of HB 2176 would have no fiscal effect on the state budget. The League of Kansas Municipalities believes that passage of the bill has the potential to save cities money the first year, because it would give them an additional month to analyze their budget and make projections for the upcoming year. The Department of Education reports school districts would not be affected by the date change.

Sincerely,

Steven J. Anderson, CPA, MBA
Director of the Budget
