Statehouse, Room 274-W  
Topeka, Kansas 66612

Dear Representative Carlson:

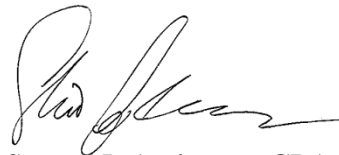

**SUBJECT:** Fiscal Note for HB 2595 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2595 is respectfully submitted to your committee.

HB 2595 would amend existing law as it relates to the Jackson County local sales tax. The bill would require any individual or public or private corporation receiving money from the Jackson County 0.4 percent countywide sales tax in place for economic development to receive written authorization from the Board of County Commissioners before expending the funds. The bill would take effect upon publication in the *Kansas Register*.

According to the Kansas Department of Revenue, passage of HB 2595 would have no fiscal effect on the state budget. According to the Kansas Association of Counties, passage of the bill would have no fiscal effect on the county.

Sincerely,

Steven J. Anderson, CPA, MBA  
Director of the Budget
