The Honorable Pat Colloton, Chairperson  
House Committee on Corrections and Juvenile Justice  
Statehouse, Room 167-W  
Topeka, Kansas 66612

Dear Representative Colloton:

**SUBJECT:** Fiscal Note for HB 2600 by House Committee on Corrections and Juvenile Justice

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2600 is respectfully submitted to your committee.

Currently, law enforcement officers cannot obtain information confirming whether a person is or has been a patient at a treatment facility within the past six months until the person has been lawfully arrested. HB 2600 would allow this information to be obtained if the person has been lawfully detained upon reasonable suspicion that the person is committing, has committed, or is about to commit a misdemeanor or felony.

Passage of HB 2600 would have no fiscal effect.

Sincerely,

Steven J. Anderson, CPA, MBA  
Director of the Budget
