4 *Be it enacted by the Legislature of the State of Kansas:*

5 Section 1. On or before February 1, 2013, and every two years  
6 thereafter, the state corporation commission shall compile a report  
7 regarding electric supply and demand for all electric utilities in Kansas.  
8 The report shall include, but not be limited to, generation capacity needs,  
9 system peak capacity needs and renewable generation needs associated  
10 with the 2009 Kansas renewable energy standards. The commission shall  
11 submit the report to the house energy and utilities committee and the  
12 senate utilities committee.

13 Sec. 2. This act shall take effect and be in force from and after its  
14 publication in the statute book.
