31 board.

32 (c) For a member to be eligible for an additional interest credit, the
33 member shall have an account balance at the time the interest credit is paid

40 upon the member's termination of plan membership, as provided in section
41 12, and amendments thereto, the employer credits and interest credits are
42 forfeited as provided in section 12, and amendments thereto. If the
43 member's retirement annuity account is vested upon the member's

1 termination of plan membership, as provided in section 12, and
2 amendments thereto, but the member dies prior to attaining normal
3 retirement age without a spouse eligible for the retirement annuity account
4 under section 13, and amendments thereto, the employer credits and
5 interest credits are forfeited. Forfeitures may not be used to increase a
6 member's account, but instead shall be used to pay administrative expenses
7 of the accounts or to reduce employer contributions.

8 New Sec. 10. (a) Any time after termination of service or death, a
9 member who is not vested or the beneficiary of such a member may
10 terminate plan membership by filing a written application with the board
11 and taking a distribution of the member's annuity savings account from the
12 plan through any combination of the following payout options, each of
13 which is subject to the applicable provisions of the federal internal revenue
14 code and the applicable regulations of the internal revenue service:

- 15 (1) A direct rollover to an eligible retirement plan; or
- 16 (2) a lump-sum distribution.

17 (b) The board by official action may specify minimum account
18 balances for purposes of allowing benefit payment options and rollovers in
19 accordance with federal law.

20 New Sec. 11. (a) A member who is eligible for a benefit under
21 subsection (a) of section 13, and amendments thereto, shall be entitled to a
22 distribution of such member's annuity savings account. Such distribution
23 may be made in any of the annuity options described in subsection (b) of
24 section 13, and amendments thereto. In lieu of an annuity, a member
25 entitled to a benefit under subsection (a) of section 13, and amendments
26 thereto, may elect to receive a lump-sum of such member's annuity savings
27 account in 10% increments, but in no event may the lump-sum option
28 elected under this section and the lump-sum option elected under
29 subsection (b) of section 13, and amendments thereto, exceed 30% of the
30 total value of such member's annuity savings account and retirement
31 annuity account.

32 (b) A member who is not eligible for a benefit under subsection (a) of
33 section 13, and amendments thereto, but who terminates employment in
34 any covered position under the system, may elect to take a distribution of
35 such member's entire annuity savings account balance, but the member
36 shall then forfeit the entire balance in the member's retirement annuity
37 account.

38 (c) In the case of an active or inactive member:

- 39 (1) Who is vested in the member's annuity savings account;
- 40 (2) who has five or more years of service at death; and

41 (3) who dies before attaining normal retirement age, with such
42 member's spouse at time of death designated as such member's sole
43 primary beneficiary, the member's surviving spouse on and after the date

1 the member would have attained normal retirement age had such member
2 not died, shall receive an annuity based upon such member's contributions
3 and interest credits in the annuity savings account, using factors
4 established by the board by official action as of the beneficiary's annuity
5 start date. The normal form of benefit shall be a single life annuity with
6 five-year certain.

7 New Sec. 12. (a) A member is vested, but subject to forfeiture, in the
8 member's retirement annuity account upon completion of five years of
9 service. A member's benefit is nonforfeitable upon the attainment of
10 normal retirement age and the completion of at least five years of service,
11 whichever is later.

12 (b) If a member who is not vested in the member's retirement annuity
13 account at termination of employment, has not withdrawn such member's
14 annuity savings account and returns to active employment and
15 membership in the plan within five years of such member's termination,
16 such member's prior years of service shall be restored upon such return to
17 employment and membership.

18 New Sec. 13. (a) Except as provided in subsection (d), a member who
19 has a nonforfeitable interest in the member's retirement annuity account, at
20 any time after termination from service and the attainment of normal
21 retirement age, shall receive an annuity based upon the balance in such
22 member's retirement annuity account, using mortality rates established by
23 the board by official action as of the member's annuity start date and
24 interest rates established by the legislature as of the member's annuity start
25 date, and such interest rate shall initially be 6%. The legislature may from
26 time to time prospectively change the interest rate and the board may from
27 time to time prospectively change the mortality rate, and the legislature
28 expressly reserves such rights to do so.

29 (b) The normal form of benefit payable under subsection (a) shall be
30 a single life annuity with five-year certain. The member may elect any
31 option described in K.S.A. 74-4918, and amendments thereto, except the
32 partial lump-sum option, subject to actuarial adjustment factors established
33 by the board from time to time. The benefit option selected may include a
34 self-funded cost-of-living adjustment feature, in which the account value is
35 converted to a benefit amount that increases by a fixed percentage over
36 time. One or more fixed percentages shall be established by the board,
37 which may be changed from time to time. In lieu of a part of an annuity,
38 for a member entitled to a benefit under subsection (a), the member may
39 elect to receive a lump-sum of such member's retirement annuity account
40 in 10% increments, but in no event may the lump-sum option elected
41 under this section and the lump-sum option elected under subsection (a) of
42 section 11, and amendments thereto, exceed 30% of the total value of such
43 member's annuity savings account and retirement annuity account.

1 (c) Except as provided in subsection (d), in the case of an active or
2 inactive member:

3 (1) Who is vested in the member's retirement annuity account;

4 (2) who has five or more years of service at death; and

5 (3) who dies before attaining normal retirement age, with such
6 member's spouse at time of death designated as such member's sole
7 primary beneficiary, the member's surviving spouse on and after the date
8 the member would have attained normal retirement age had such member
9 not died, shall receive an annuity based upon employer credits and interest
10 credits in the retirement annuity account, using factors established by the
11 board by official action as of the beneficiary's annuity start date. The
12 normal form of benefit shall be a single life annuity with five-year certain.

13 (d) If a member's vested retirement annuity account is less than
14 \$1,000 upon separation from service, the account balance shall be
15 mandatorily distributed to the member in accordance with section 401(a)
16 (31)(B) of the federal internal revenue code. If the member does not elect
17 to have such distribution paid directly to an eligible retirement plan
18 specified by the participant in a direct rollover or to receive the
19 distribution directly, then the board will pay the distribution to the member
20 directly.

21 New Sec. 14. All benefit payments under the plan established
22 pursuant to this act are subject to the requirements imposed under federal
23 internal revenue code 401(a)(9).

24 New Sec. 15. A member's beneficiary shall be determined as
25 provided in the pre-2014 plan. Upon filing a written application with the
26 board after the death of a member receiving a benefit under subsection (a)
27 of section 13, and amendments thereto, the member's beneficiary is
28 entitled to a \$4,000 death benefit as provided in K.S.A. 74-4989, and
29 amendments thereto.

34 (b) (1) In the event that a member becomes eligible for and begins
35 receiving a long-term disability benefit under the plan, such member shall
36 be given participating service credit for the entire period of such disability.
37 Such member's annuity savings account and retirement annuity account
38 shall be credited with the amount of employee contributions and employer
39 credits and interest credits prescribed in this act for the entire period of
40 such disability, but no later than the time prescribed by subsection (3).

41 (2) The salary upon which credits to such member's annuity savings
42 account and retirement annuity account are based shall be the employee's
43 salary at the time of disability, which shall be adjusted once each year on

1 January 1, but only after five years of disability, by the lesser of: (A) The
2 percentage increase in the consumer price index for all urban consumers as
3 published by the bureau of labor statistics of the United States department
4 of labor measured in the prior November, minus 1%; or (B) 4% per
5 annum.

6 (3) All credits to the annuity savings account and the retirement
7 annuity account shall cease upon the earliest of: (A) Death;

12 49,124, and amendments thereto, shall apply to this act. However, the

16 provided to the members, or accessible to the members through electronic
17 account access, shall include:

18 (1) The anticipated monthly benefit from the account based on a
19 retirement age of 65;

21 plan based upon a retirement age of 65; and

22 (3) the hypothetical or notional account balance.

23 (b) All electronic and written account statements provided to the
24 members, or accessible to the members through electronic account access,
25 shall clearly state that additional personal savings in programs like an
26 internal revenue code section 403(b) plan or a 457 plan will likely be
27 necessary to insure adequate retirement savings and to address cost-of-
28 living increases.

29 (c) The board shall develop and make available to all members an
30 electronic benefits estimate calculator for the plan established pursuant to
31 this act.

32 Sec. 19. K.S.A. 2011 Supp. 74-4914d is hereby amended to read as

37 and for whom a final average salary cannot be otherwise determined, such
38 member's final average salary shall be based on all service for which such
39 member received assistance in a plan under subsection (2) of K.S.A. 74-
40 4925, and amendments thereto, as certified by such employer upon request
41 of the board. For any member who retires on or after July 1, 1993, the
42 amount for participating service shall be equal to the total of 1.75% of the
43 member's final average salary multiplied by the number of years of

1 participating service earned prior to January 1, 2014, and, subject to any
2 election made pursuant to the provisions of section 24, and amendments
3 thereto, 1.4% or 1.85% of the member's final average salary multiplied by
4 the number of years of participating service earned on and after January
5 1, 2014. If the federal internal revenue service fails to grant an approval
6 or issues an adverse decision as described in section 24, and amendments
7 thereto, the amount for participating service earned on and after January
8 1, 2014, shall be 1.85% of the member's final average salary multiplied by
9 the number of years of participating service earned on and after January
10 1, 2014. Notwithstanding any provision of law to the contrary, in no event
11 shall service that is purchased under the provisions of K.S.A. 74-4919a et
12 seq., and amendments thereto, be credited at a rate that exceeds 1.75% of
13 the purchasing member's final average salary.

14 (2) (A) Any member who retires on or after July 1, 1993, but before
15 the normal retirement date and has attained age 60 but has not attained age
16 62 with the completion of 10 years of credited service, shall receive an
17 annual retirement benefit equal to the annual retirement benefit payable
18 had the member retired on the normal retirement date but based upon the
19 member's final average salary and years of participating and prior service
20 credited to the date of actual retirement reduced by an amount equal to the
21 product of (i) such annual retirement benefit payable had the member
22 retired on the normal retirement date, multiplied by (ii) the product of .
23 2% multiplied by the number of months' difference, to the nearest whole
24 month, between the member's attained age at the time of retirement and
25 age 62.

26 (B) Any member who retires on or after July 1, 1993, but before the
27 normal retirement date and has attained age 55 but has not attained age 60
28 with the completion of 10 years of credited service, shall receive an annual
29 retirement benefit equal to the annual retirement benefit payable had the
30 member retired on the normal retirement date but based upon the member's
31 final average salary and years of participating and prior service credited to
32 the date of actual retirement reduced by an amount equal to the total of: (i)
33 (a) The product of such annual retirement benefit payable had the member
34 retired on the normal retirement date, multiplied by (b) the product of .6%
35 multiplied by the number of months' difference, to the nearest whole
36 month, between the member's attained age at the time of retirement and
37 age 60; and

38 (ii) on and after July 1, 1993, the product of such annual retirement
39 benefit payable had the member retired on the normal retirement date,
40 multiplied by 4.8%.

41 (3) Upon death of a retirant, there shall be paid to such retirant's
42 beneficiary an amount equal to the excess, if any, of such retirant's
43 accumulated contributions over the sum of all retirement benefit payments

1 made.

2 (4) Such annual retirement benefits shall be paid in equal monthly
3 installments, except; that the board may provide for the payment of
4 retirement benefits which total less than \$240 a year on other than a
5 monthly basis.

6 (5) In the event that an application in such form as may be prescribed
7 by the board for any amount due under the provisions of this act, is not
8 filed with the office of the retirement system by the person entitled to same
9 within five years of the date such amount became due and payable, an
10 amount equal to same shall be transferred to the retirement benefit
11 accumulation reserve and such amount shall no longer be due and payable,
12 except that if any such person shall present evidence satisfactory to the
13 board that such person's failure to file such application within that time
14 period was due to lack of knowledge or incapacity on such person's part,
15 the amount equal to the amount originally due shall be transferred from the
16 retirement benefit accumulation reserve to the reserve or reserves from
17 which such transfer was initially made and the amount originally due shall
18 be paid to such person.

19 (6) The participating employer, when an employee files an
20 application for retirement, shall certify to the system all member
21 contributions of such employee which have not been reported previously.
22 In the event the amount certified results in an overpayment of retirement
23 benefits, the employer shall be held responsible for the contribution
24 amount previously certified from the time of commencement of the
25 overpayment of retirement benefits until the time that such overpayment is
26 discovered by the system. At the time that such overpayment of retirement
27 benefits is discovered by the system, the system shall adjust the amount of
28 retirement benefits paid to the employee to the correct amount based on
29 the participating employer's certification of member contributions which
30 had not been previously reported. The participating employer of the
31 employee who has had such member's retirement benefits adjusted as
32 provided in this subsection shall notify such employee of such
33 overpayment and such adjustment of retirement benefits. If the
34 contributions previously certified are lower than the actual amount
35 reported, the employer shall be responsible for remitting the correct
36 amount and the member's monthly benefit shall be recalculated based on
37 the amount reported by the employer. When an employee in school
38 employment files such an application, the participating employer
39 responsible for any such amounts as provided in this subsection shall be
40 the employee's eligible employer as specified in subsection (1), (2) or (3)
41 of K.S.A. 74-4931, and amendments thereto, and shall not be the state of
42 Kansas. The provisions of law in effect on the retirement date of a member
43 under the system shall govern the retirement benefit payable to the retiree,

1 any joint annuitant and any beneficiary.

2 Sec. 21. K.S.A. 74-4919 is hereby amended to read as follows: 74-
3 4919. (1) *Except as otherwise provided*, each participating employer,
4 beginning with the first payroll for services performed after the entry date,
5 shall deduct from the compensation of each member 4% of such member's
6 compensation as employee contributions. *Subject to any election made*
7 *pursuant to the provisions of section 24, and amendments thereto, each*
8 *participating employer; for services performed by an employee first*
9 *employed prior to July 1, 2009, shall deduct from the compensation of*
10 *each member, the following amounts expressed as a percentage of*
11 *compensation during the following periods: (a) Commencing January 1,*
12 *2014, for members who elected to receive an amount for participating*
13 *service equal to the total of 1.4% of such member's final average salary,*
14 *4% of such member's compensation as employee contributions, and (b)*
15 *commencing January 1, 2014, for members who elected to receive an*
16 *amount for participating service equal to the total of 1.85% of such*
17 *member's final average salary, who did not make an election pursuant to*
18 *section 24, and amendments thereto, or if the federal internal revenue*
19 *service fails to grant an approval or issues an adverse decision as*
20 *described in section 24, and amendments thereto, 5% of such member's*
21 *compensation as employee contributions, and commencing January 1,*
22 *2015, and in each subsequent calendar year, 6% of such member's*
23 *compensation as employee contributions. Such deductions shall be*
24 *remitted quarterly, or as the board may otherwise provide, to the executive*
25 *director for deposit in the Kansas public employees retirement fund. Such*
26 *deductions shall be credited to the members' individual accounts and*
27 *interest shall be added annually to such accounts.*

28 (2) (a) Subject to the provisions of K.S.A. 74-49,123, and
29 amendments thereto, each participating employer, pursuant to the
30 provisions of section 414(h)(2) of the federal internal revenue code, shall
31 pick up and pay the contributions which would otherwise be payable by
32 members as prescribed in subsection (1) commencing with the third
33 quarter of 1984. The contributions so picked up shall be treated as
34 employer contributions for purposes of determining the amounts of federal
35 income taxes to withhold from the member's compensation.

36 (b) Member contributions picked up by the employer shall be paid
37 from the same source of funds used for the payment of compensation to a
38 member. A deduction shall be made from each member's compensation
39 equal to the amount of the member's contributions picked up by the
40 employer, provided that such deduction shall not reduce the member's
41 compensation for purposes of computing benefits under the system.

42 (c) Member contributions picked up by the employer shall be
43 remitted quarterly, or as the board may otherwise provide, to the executive

1 director for credit to the Kansas public employees retirement fund. Such
2 contributions shall be credited to a separate account within the member's
3 individual account so that amounts contributed by the member
4 commencing with the third quarter of 1984 may be distinguished from the
5 member contributions picked up by the employer. Interest shall be added
6 annually to members' individual accounts.

7 Sec. 22. K.S.A. 2011 Supp. 74-4920, as amended by section 2 of
8 2012 House Bill No. 2460, is hereby amended to read as follows: 74-4920.

9 (1) (a) Upon the basis of each annual actuarial valuation and appraisal as
10 provided for in subsection (3)(a) of K.S.A. 74-4908, and amendments
11 thereto, the board shall certify, on or before July 15 of each year, to the
12 division of the budget in the case of the state and to the agent for each
13 other participating employer an actuarially determined estimate of the rate
14 of contribution which will be required, together with all accumulated
15 contributions and other assets of the system, to be paid by each such
16 participating employer to pay all liabilities which shall exist or accrue
17 under the system, including amortization of the actuarial accrued liability
18 as determined by the board. The board shall determine the actuarial cost
19 method to be used in annual actuarial valuations, to determine the
20 employer contribution rates that shall be certified by the board. Such
21 certified rate of contribution, amortization methods and periods and
22 actuarial cost method shall be based on the standards set forth in
23 subsection (3)(a) of K.S.A. 74-4908, and amendments thereto, and shall
24 not be based on any other purpose outside of the needs of the system.

25 (b) (i) For employers affiliating on and after January 1, 1999, upon
26 the basis of an annual actuarial valuation and appraisal of the system
27 conducted in the manner provided for in K.S.A. 74-4908, and amendments
28 thereto, the board shall certify, on or before July 15 of each year to each
29 such employer an actuarially determined estimate of the rate of
30 contribution which shall be required to be paid by each such employer to
31 pay all of the liabilities which shall accrue under the system from and after
32 the entry date as determined by the board, upon recommendation of the
33 actuary. Such rate shall be termed the employer's participating service
34 contribution and shall be uniform for all participating employers. Such
35 additional liability shall be amortized as determined by the board. For all
36 participating employers described in this section, the board shall determine
37 the actuarial cost method to be used in annual actuarial valuations to
38 determine the employer contribution rates that shall be certified by the
39 board.

40 (ii) The board shall determine for each such employer separately an
41 amount sufficient to amortize all liabilities for prior service costs which
42 shall have accrued at the time of entry into the system. On the basis of
43 such determination the board shall annually certify to each such employer

1 separately an actuarially determined estimate of the rate of contribution
2 which shall be required to be paid by that employer to pay all of the
3 liabilities for such prior service costs. Such rate shall be termed the
4 employer's prior service contribution.

5 (2) The division of the budget and the governor shall include in the
6 budget and in the budget request for appropriations for personal services
7 the sum required to satisfy the state's obligation under this act as certified
8 by the board and shall present the same to the legislature for allowance and
9 appropriation.

10 (3) Each other participating employer shall appropriate and pay to the
11 system a sum sufficient to satisfy the obligation under this act as certified
12 by the board.

13 (4) Each participating employer is hereby authorized to pay the
14 employer's contribution from the same fund that the compensation for
15 which such contribution is made is paid from or from any other funds
16 available to it for such purpose. Each political subdivision, other than an
17 instrumentality of the state, which is by law authorized to levy taxes for
18 other purposes, may levy annually at the time of its levy of taxes, a tax
19 which may be in addition to all other taxes authorized by law for the
20 purpose of making its contributions under this act and, in the case of cities
21 and counties, to pay a portion of the principal and interest on bonds issued
22 under the authority of K.S.A. 12-1774, and amendments thereto, by cities
23 located in the county, which tax, together with any other fund available,
24 shall be sufficient to enable it to make such contribution. In lieu of levying
25 the tax authorized in this subsection, any taxing subdivision may pay such
26 costs from any employee benefits contribution fund established pursuant to
27 K.S.A. 12-16,102, and amendments thereto. Each participating employer
28 which is not by law authorized to levy taxes as described above, but which
29 prepares a budget for its expenses for the ensuing year and presents the
30 same to a governing body which is authorized by law to levy taxes as
31 described above, may include in its budget an amount sufficient to make
32 its contributions under this act which may be in addition to all other taxes
33 authorized by law. Such governing body to which the budget is submitted
34 for approval, may levy a tax sufficient to allow the participating employer
35 to make its contributions under this act, which tax, together with any other
36 fund available, shall be sufficient to enable the participating employer to
37 make the contributions required by this act.

38 (5) (a) The rate of contribution certified to a participating employer as
39 provided in this section shall apply during the fiscal year of the
40 participating employer which begins in the second calendar year following
41 the year of the actuarial valuation.

42 (b) (i) Except as specifically provided in this section, for fiscal years
43 commencing in calendar year 1996 and in each subsequent calendar year,

1 the rate of contribution certified to the state of Kansas shall in no event
2 exceed the state's contribution rate for the immediately preceding fiscal
3 year by more than 0.2% of the amount of compensation upon which
4 members contribute during the period.

5 (ii) Except as specifically provided in this subsection, for the fiscal
6 years commencing in the following calendar years, the rate of contribution
7 certified to the state of Kansas and to the participating employers under
8 K.S.A. 74-4931, and amendments thereto, shall in no event exceed the
9 state's contribution rate for the immediately preceding fiscal year by more
10 than the following amounts expressed as a percentage of compensation
11 upon which members contribute during the period: (A) For the fiscal year
12 commencing in ~~calendar year 2005, an amount not to exceed more than~~
13 ~~0.4% of the amount of the immediately preceding fiscal year; (B) for the~~
14 ~~fiscal year commencing in calendar year 2006, an amount not to exceed~~
15 ~~more than 0.5% of the amount of the immediately preceding fiscal year;~~
16 ~~and (C) for the fiscal year commencing in calendar year 2007 and in each~~
17 ~~subsequent calendar year years 2010 through 2012, an amount not to~~
18 ~~exceed more than 0.6% of the amount of the immediately preceding fiscal~~
19 ~~year; (B) for the fiscal year commencing in calendar year 2013, an~~
20 ~~amount not to exceed more than 0.9% of the amount of the immediately~~
21 ~~preceding fiscal year; (C) for the fiscal year commencing in calendar year~~
22 ~~2014, an amount not to exceed more than 1% of the amount of the~~
23 ~~immediately preceding fiscal year; (D) for the fiscal year commencing in~~
24 ~~calendar year 2015, an amount not to exceed more than 1.1% of the~~
25 ~~amount of the immediately preceding fiscal year; and (E) for the fiscal~~
26 ~~year commencing in calendar year 2016, and in each subsequent calendar~~
27 ~~year, an amount not to exceed more than 1.2% of the amount of the~~
28 ~~immediately preceding fiscal year.~~

29 (iii) Except as specifically provided in this section, for fiscal years
30 commencing in calendar year 1997 and in each subsequent calendar year,
31 the rate of contribution certified to participating employers other than the
32 state of Kansas shall in no event exceed such participating employer's
33 contribution rate for the immediately preceding fiscal year by more than
34 0.15% of the amount of compensation upon which members contribute
35 during the period.

36 (iv) Except as specifically provided in this subsection, for the fiscal
37 years commencing in the following calendar years, the rate of contribution
38 certified to participating employers other than the state of Kansas shall in
39 no event exceed the contribution rate for such employers for the
40 immediately preceding fiscal year by more than the following amounts
41 expressed as a percentage of compensation upon which members
42 contribute during the period: (A) For the fiscal year commencing in
43 ~~calendar year 2006, an amount not to exceed more than 0.4% of the~~

1 amount of the immediately preceding fiscal year; (B) for the fiscal year
2 commencing in calendar year 2007, an amount not to exceed more than
3 0.5% of the amount of the immediately preceding fiscal year; and (C) for
4 the fiscal year commencing in calendar year 2008 and in each subsequent
5 calendar year years 2010 through 2013, an amount not to exceed more
6 than 0.6% of the amount of the immediately preceding fiscal year; (B) for
7 the fiscal year commencing in calendar year 2014, an amount not to
8 exceed more than 0.9% of the amount of the immediately preceding fiscal
9 year; (C) for the fiscal year commencing in calendar year 2015, an
10 amount not to exceed more than 1% of the amount of the immediately
11 preceding fiscal year; (D) for the fiscal year commencing in calendar year
12 2016, an amount not to exceed more than 1.1% of the amount of the
13 immediately preceding fiscal year; and (E) for the fiscal year commencing
14 in calendar year 2017, and in each subsequent calendar year, an amount
15 not to exceed more than 1.2% of the amount of the immediately preceding
16 fiscal year.

17 (v) As part of the annual actuarial valuation, there shall be a separate
18 employer rate of contribution calculated for the state of Kansas, a separate
19 employer rate of contribution calculated for participating employers under
20 K.S.A. 74-4931, and amendments thereto, a combined employer rate of
21 contribution calculated for the state of Kansas and participating employers
22 under K.S.A. 74-4931, and amendments thereto, and a separate employer
23 rate of contribution calculated for all other participating employers.

24 (vi) There shall be a combined employer rate of contribution certified
25 to the state of Kansas and participating employers under K.S.A. 74-4931,
26 and amendments thereto. There shall be a separate employer rate of
27 contribution certified to all other participating employers.

28 (vii) If the combined employer rate of contribution calculated for the
29 state of Kansas and participating employers under K.S.A. 74-4931, and
30 amendments thereto, is greater than the separate employer rate of
31 contribution for the state of Kansas, the difference in the two rates applied
32 to the actual payroll of the state of Kansas for the applicable fiscal year
33 shall be calculated. This amount shall be certified by the board for deposit
34 as additional employer contributions to the retirement benefit
35 accumulation reserve for the participating employers under K.S.A. 74-
36 4931, and amendments thereto.

37 (6) The actuarial cost of any legislation enacted in the 1994 session of
38 the Kansas legislature will be included in the June 30, 1994, actuarial
39 valuation in determining contribution rates for participating employers.

40 (7) The actuarial cost of the provisions of K.S.A. 74-4950i, and
41 amendments thereto, will be included in the June 30, 1998, actuarial
42 valuation in determining contribution rates for participating employers.
43 The actuarial accrued liability incurred for the provisions of K.S.A. 74-

1 4950i, *and amendments thereto*, shall be amortized over 15 years.

2 (8) Except as otherwise provided by law, the actuarial cost of any
3 legislation enacted by the Kansas legislature, except the actuarial cost of
4 K.S.A. 74-49,114a, and amendments thereto, shall be in addition to the
5 employer contribution rates certified for the employer contribution rate in
6 the fiscal year immediately following such enactment.

7 (9) Notwithstanding the provisions of subsection (8), the actuarial
8 cost of the provisions of K.S.A. 74-49,109 et seq., and amendments
9 thereto, shall be first reflected in employer contribution rates effective with
10 the first day of the first payroll period for the fiscal year 2005. The
11 actuarial accrued liability incurred for the provisions of K.S.A. 74-49,109
12 et seq., and amendments thereto, shall be amortized over 10 years.

13 (10) The cost of the postretirement benefit payment provided
14 pursuant to the provisions of K.S.A. 2011 Supp. 74-49,114b, and
15 amendments thereto, for retirants other than local retirants as described in
16 subsection (11) or insured disability benefit recipients shall be paid in the
17 fiscal year commencing on July 1, 2007.

18 (11) The actuarial accrued liability incurred for the provisions of
19 K.S.A. 2011 Supp. 74-49,114b, and amendments thereto, for the KPERS
20 local group and retirants who were employees of local employers which
21 affiliated with the Kansas police and firemen's retirement system shall be
22 amortized over 10 years.

23 (12) The cost of the postretirement benefit payment provided
24 pursuant to the provisions of K.S.A. 2011 Supp. 74-49,114c, and
25 amendments thereto, for retirants other than local retirants as described in
26 subsection (13) or insured disability benefit recipients shall be paid in the
27 fiscal year commencing on July 1, 2008.

28 (13) The actuarial accrued liability incurred for the provisions of
29 K.S.A. 2011 Supp. 74-49,114c, and amendments thereto, for the KPERS
30 local group and retirants who were employees of local employers which
31 affiliated with the Kansas police and firemen's retirement system shall be
32 amortized over 10 years.

33 (14) The board with the advice of the actuary may fix the contribution
34 rates for participating employers joining the system after one year from the
35 first entry date or for employers who exercise the option contained in
36 K.S.A. 74-4912, and amendments thereto, at rates different from the rate
37 fixed for employers joining within one year of the first entry date.

38 (15) Employer contributions shall in no way be limited by any other
39 act which now or in the future establishes or limits the compensation of
40 any member.

41 (16) Notwithstanding any provision of law to the contrary, each
42 participating employer shall remit quarterly, or as the board may otherwise
43 provide, all employee deductions and required employer contributions to

1 the executive director for credit to the Kansas public employees retirement
2 fund within three days after the end of the period covered by the
3 remittance by electronic funds transfer. Remittances of such deductions
4 and contributions received after such date are delinquent. Delinquent
5 payments due under this subsection shall be subject to interest at the rate
6 established for interest on judgments under subsection (a) of K.S.A. 16-
7 204, and amendments thereto. At the request of the board, delinquent
8 payments which are due or interest owed on such payments, or both, may
9 be deducted from any other moneys payable to such employer by any
10 department or agency of the state.

11 Sec. 23. K.S.A. 2011 Supp. 74-49,205 is hereby amended to read as
12 follows: 74-49,205. For any member who is first employed by a
13 participating employer on or after July 1, 2009, and who retires on or after
14 such member's normal retirement date, *subject to any election made*
15 *pursuant to the provisions of section 24, and amendments thereto*, the
16 amount for participating service shall be equal to the total of 1.75% of the
17 member's final average salary multiplied by the number of years of
18 participating service *earned prior to January 1, 2014*, to be used in
19 determining such member's annual retirement benefit, *and, subject to any*
20 *election made pursuant to the provisions of section 24, and amendments*
21 *thereto, 1.4% of the member's final average salary multiplied by the*

24 *except that if the federal internal revenue service fails to grant an*
25 *approval or issues an adverse decision as described in section 24, and*
26 *amendments thereto, the amount for participating service earned on and*
27 *after January 1, 2014, shall be 1.75% of the member's final average*
28 *salary multiplied by the number of years of participating service earned*
29 *on and after January 1, 2014.*

30 Sec. 24. K.S.A. 2011 Supp. 74-49,213 is hereby amended to read as
31 follows: 74-49,213. (a) Beginning on July 1, 2010, and on each July 1
32 thereafter, the retirement benefit, pension or annuity payments to each
33 retirant who retires under this act shall be increased by an annual cost-of-
34 living adjustment in an amount equal to 2.0% multiplied by the retirement
35 benefit, pension or annuity payment in effect on that date and shall be paid
36 by the system to the retirant during each such period. The first increase for
37 such a retirant shall be on the second July 1 following such retirant's
38 retirement date. Subsequent increases shall occur on each July 1 thereafter.

39 (b) As used in this section, "retirant" means: (A) Any person who is a
40 member of the Kansas public employees retirement system pursuant to this
41 act *and who made an election pursuant to section 24, and amendments*
42 *thereto, to receive an annual cost-of-living adjustment*, who is retired
43 under the provisions of this act, and who is at least 65 years of age; and

1 (B) any person who is a joint annuitant or beneficiary of any member
2 described in clause (A).

3 New Sec. 25. (a) The provisions of this section and any related
4 provisions shall not be implemented until the board of trustees of the
5 Kansas public employees retirement system has obtained approval for the
6 election and related provisions specified in this section from the federal
7 internal revenue service. The board may implement the remainder of this
8 act prior to implementation of this section. To that end, this section and
9 provisions related thereto are severable from the remainder of this act and
10 shall be repealed if the federal internal revenue service refuses to grant
11 such approval or issues an adverse decision.

12 (b) Except as otherwise provided in this act, a member of the system
13 under the provisions of K.S.A. 74-4901 et seq., and amendments thereto,
14 on July 1, 2013, may elect to: (1) Contribute, commencing January 1,
15 2014, 5% of such member's compensation as employee contributions, and

33 compensation as employee contributions and not be eligible to receive an
34 annual cost-of-living adjustment pursuant to K.S.A. 2011 Supp. 74-49,213,
35 and amendments thereto. Members who make this election to contribute at
36 the 6% amount pursuant to this subsection and not be eligible to receive an
37 annual cost-of-living adjustment shall receive an amount for participating
38 service equal to the total of 1.75% of the member's final average salary.
39 Members shall make such election within a 90-day period established by
40 the board.

41 (d) (1) Elections made pursuant to this section shall be made on a

2 contributions, and shall receive an amount for participating service equal
3 to the total of 1.85% of the member's final average salary.

8 thereto, and shall receive an amount for participating service equal to the
9 total of 1.75% of the member's final average salary.

10 (4) An election under this section, including the default election
11 pursuant to subsection (d)(2) or (d)(3), is a one-time irrevocable election.

12 Sec. 26. K.S.A. 2011 Supp. 74-4937 is hereby amended to read as
13 follows: 74-4937. (1) The normal retirement date of a member of the
14 system who is in school employment and who is subject to K.S.A. 74-
15 4940, and amendments thereto, shall be the first day of the month
16 coinciding with or following termination of employment not followed by
17 employment with any participating employer within 60 days and the
18 attainment of age 65 or, commencing July 1, 1986, age 65 or age 60 with
19 the completion of 35 years of credited service or at any age with the
20 completion of 40 years of credited service, or commencing July 1, 1993,
21 any alternative normal retirement date already prescribed by law or age 62
22 with the completion of 10 years of credited service or the first day of the
23 month coinciding with or following the date that the total of the number of
24 years of credited service and the number of years of attained age of the
25 member is equal to or more than 85. Each member upon giving prior
26 notice to the appointing authority and the retirement system may retire on
27 the normal retirement date or the first day of any month thereafter.

28 (2) Any member who is in school employment and who is subject to
29 K.S.A. 74-4940, and amendments thereto, may retire before such
30 member's normal retirement date on the first day of the month coinciding
31 with or following termination of employment not followed by employment
32 with any participating employer within 60 days and the attainment of age
33 55 with the completion of 10 years of credited service, upon the filing with
34 the office of the retirement system of an application for retirement in such
35 form and manner as the board shall prescribe.

36 (3) Commencing July 1, 2009, the provisions of subsection (5) of
37 K.S.A. 74-4914, and amendments thereto, which relate to an earnings
38 limitation which when met or exceeded requires that the retirant not
39 receive a retirement benefit for any month for which such retirant serves in
40 a position as described herein shall not apply to retirants who either retired
41 under the provisions of subsection (1) of K.S.A. 74-4914, and amendments
42 thereto, related to normal retirement, or, if they retired under the
43 provisions of subsection (4) of K.S.A. 74-4914, and amendments thereto,

1 related to early retirement, were retired more than 60 days prior to the
2 effective date of this act, and are subsequently hired in a position that
3 requires a license under K.S.A. 72-1388, and amendments thereto, or other
4 provision of law. The provisions of this subsection do not apply to retirants
5 who retired under subsection (4) of K.S.A. 74-4914, and amendments
6 thereto, which relates to early retirement prior to age 62. Except as
7 otherwise provided, when a retirant is employed by the same school
8 district or a different school district with which such retirant was employed
9 during the final two years of such retirant's participation or employed by a
10 third-party entity who contracts services with a school district to fill a
11 position as described in this subsection, the participating employer of such
12 retirant shall pay to the system the actuarially determined employer
13 contribution based on the retirant's compensation during any such period
14 of employment plus 8%. The provisions of this subsection shall not apply
15 to retirants employed as substitute teachers. The provisions of subsection
16 (5) of K.S.A. 74-4914, and amendments thereto, shall be applicable to
17 retirants employed as described in this subsection, except as specifically
18 provided in this subsection. Nothing in this subsection shall be construed
19 to create any right, or to authorize the creation of any right, which is not
20 subject to amendment or nullification by act of the legislature. The
21 provisions of this subsection shall expire on July 1, ~~2012~~ 2015. After such
22 date the Kansas public employees retirement system and its actuary shall
23 report the experience to the joint committee on pensions, investments and
24 benefits.

25 Sec. 27. K.S.A. 2011 Supp. 74-4927 is hereby amended to read as
26 follows: 74-4927. (1) The board may establish a plan of death and long-
27 term disability benefits to be paid to the members of the retirement system
28 as provided by this section. The long-term disability benefit shall be
29 payable in accordance with the terms of such plan as established by the
30 board, except that for any member who is disabled prior to the effective
31 date of this act, the annual disability benefit amount shall be an amount
32 equal to $66\frac{2}{3}\%$ of the member's annual rate of compensation on the date
33 such disability commenced. Such plan shall provide that:

34 (A) For deaths occurring prior to January 1, 1987, the right to receive
35 such death benefit shall cease upon the member's attainment of age 70 or
36 date of retirement whichever first occurs. The right to receive such long-
37 term disability benefit shall cease (i) for a member who becomes eligible
38 for such benefit before attaining age 60, upon the date that such member
39 attains age 65 or the date of such member's retirement, whichever first
40 occurs, and (ii) for a member who becomes eligible for such benefit at or
41 after attaining age 60, the date that such member has received such benefit
42 for a period of five years, or upon the date of such member's retirement,
43 whichever first occurs.

1 (B) Long-term disability benefit payments shall be in lieu of any
2 accidental total disability benefit that a member may be eligible to receive
3 under subsection (3) of K.S.A. 74-4916, and amendments thereto. The
4 member must make an initial application for social security disability
5 benefits and, if denied such benefits, the member must pursue and exhaust
6 all administrative remedies of the social security administration which
7 include, but are not limited to, reconsideration and hearings. Such plan
8 may provide that any amount which a member receives as a social security
9 benefit or a disability benefit or compensation from any source by reason
10 of any employment including, but not limited to, workers compensation
11 benefits may be deducted from the amount of long-term disability benefit
12 payments under such plan. However, in no event shall the amount of long-
13 term disability benefit payments under such plan be reduced by any
14 amounts a member receives as a supplemental disability benefit or
15 compensation from any source by reason of the member's employment,
16 provided such supplemental disability benefit or compensation is based
17 solely upon the portion of the member's monthly compensation that
18 exceeds the maximum monthly compensation taken into account under
19 such plan. As used in this paragraph, "maximum monthly compensation"
20 means the dollar amount that results from dividing the maximum monthly
21 disability benefit payable under such plan by the percentage of
22 compensation that is used to calculate disability benefit payments under
23 such plan. During the period in which such member is pursuing such
24 administrative remedies prior to a final decision of the social security
25 administration, social security disability benefits may be estimated and
26 may be deducted from the amount of long-term disability benefit payments
27 under such plan. If the social security benefit, workers compensation
28 benefit, other income or wages or other disability benefit by reason of
29 employment other than a supplemental benefit based solely on
30 compensation in excess of the maximum monthly compensation taken into
31 account under such plan, or any part thereof, is paid in a lump-sum, the
32 amount of the reduction shall be calculated on a monthly basis over the
33 period of time for which the lump-sum is given. As used in this section,
34 "workers compensation benefits" means the total award of disability
35 benefit payments under the workers compensation act notwithstanding any
36 payment of attorney fees from such benefits as provided in the workers
37 compensation act.

38 (C) The plan may include other provisions relating to qualifications
39 for benefits; schedules and graduation of benefits; limitations of eligibility
40 for benefits by reason of termination of employment or membership;
41 conversion privileges; limitations of eligibility for benefits by reason of
42 leaves of absence, military service or other interruptions in service;
43 limitations on the condition of long-term disability benefit payment by

1 reason of improved health; requirements for medical examinations or
2 reports; or any other reasonable provisions as established by rule and
3 regulation of uniform application adopted by the board.

4 (D) Any visually impaired person who is in training at and employed
5 by a sheltered workshop for the blind operated by the secretary of social
6 and rehabilitation services and who would otherwise be eligible for the
7 long-term disability benefit as described in this section shall not be eligible
8 to receive such benefit due to visual impairment as such impairment shall
9 be determined to be a preexisting condition.

10 (2) (A) In the event that a member becomes eligible for a long-term
11 disability benefit under the plan authorized by this section such member
12 shall be given participating service credit for the entire period of such
13 disability. Such member's final average salary shall be computed in
14 accordance with subsection (17) of K.S.A. 74-4902, and amendments
15 thereto, except that the years of participating service used in such
16 computation shall be the years of salaried participating service.

17 (B) In the event that a member eligible for a long-term disability
18 benefit under the plan authorized by this section shall be disabled for a
19 period of five years or more immediately preceding retirement, such
20 member's final average salary shall be adjusted upon retirement by the
21 actuarial salary assumption rates in existence during such period of
22 disability. Effective July 1, 1993, such member's final average salary shall
23 be adjusted upon retirement by 5% for each year of disability after July 1,
24 1993, but before July 1, 1998. Effective July 1, 1998, such member's final
25 average salary shall be adjusted upon retirement by an amount equal to the
26 lesser of: (i) The percentage increase in the consumer price index for all
27 urban consumers as published by the bureau of labor statistics of the
28 United States department of labor minus 1%; or (ii) four percent per
29 annum, measured from the member's last day on the payroll to the month
30 that is two months prior to the month of retirement, for each year of
31 disability after July 1, 1998.

32 (C) In the event that a member eligible for a long-term disability
33 benefit under the plan authorized by this section shall be disabled for a
34 period of five years or more immediately preceding death, such member's
35 current annual rate shall be adjusted by the actuarial salary assumption
36 rates in existence during such period of disability. Effective July 1, 1993,
37 such member's current annual rate shall be adjusted upon death by 5% for
38 each year of disability after July 1, 1993, but before July 1, 1998. Effective
39 July 1, 1998, such member's current annual rate shall be adjusted upon
40 death by an amount equal to the lesser of: (i) The percentage increase in
41 the consumer price index for all urban consumers published by the bureau
42 of labor statistics of the United States department of labor minus 1%; or
43 (ii) four percent per annum, measured from the member's last day on the

1 payroll to the month that is two months prior to the month of death, for
2 each year of disability after July 1, 1998.

3 (3) (A) To carry out the legislative intent to provide, within the funds
4 made available therefor, the broadest possible coverage for members who
5 are in active employment or involuntarily absent from such active
6 employment, the plan of death and long-term disability benefits shall be
7 subject to adjustment from time to time by the board within the limitations
8 of this section. The plan may include terms and provisions which are
9 consistent with the terms and provisions of group life and long-term
10 disability policies usually issued to those employers who employ a large
11 number of employees. The board shall have the authority to establish and
12 adjust from time to time the procedures for financing and administering
13 the plan of death and long-term disability benefits authorized by this
14 section. Either the insured death benefit or the insured disability benefit or
15 both such benefits may be financed directly by the system or by one or
16 more insurance companies authorized and licensed to transact group life
17 and group accident and health insurance in this state.

18 (B) The board may contract with one or more insurance companies,
19 which are authorized and licensed to transact group life and group accident
20 and health insurance in Kansas, to underwrite or to administer or to both
21 underwrite and administer either the insured death benefit or the long-term
22 disability benefit or both such benefits. Each such contract with an
23 insurance company under this subsection shall be entered into on the basis
24 of competitive bids solicited and administered by the board. Such
25 competitive bids shall be based on specifications prepared by the board.

26 (i) In the event the board purchases one or more policies of group
27 insurance from such company or companies to provide either the insured
28 death benefit or the long-term disability benefit or both such benefits, the
29 board shall have the authority to subsequently cancel one or more of such
30 policies and, notwithstanding any other provision of law, to release each
31 company which issued any such canceled policy from any liability for
32 future benefits under any such policy and to have the reserves established
33 by such company under any such canceled policy returned to the system
34 for deposit in the group insurance reserve of the fund.

35 (ii) In addition, the board shall have the authority to cancel any policy
36 or policies of group life and long-term disability insurance in existence on
37 the effective date of this act and, notwithstanding any other provision of
38 law, to release each company which issued any such canceled policy from
39 any liability for future benefits under any such policy and to have the
40 reserves established by such company under any such canceled policy
41 returned to the system for deposit in the group insurance reserve of the
42 fund. Notwithstanding any other provision of law, no premium tax shall be
43 due or payable by any such company or companies on any such policy or

1 policies purchased by the board nor shall any brokerage fees or
2 commissions be paid thereon.

3 (4) (A) There is hereby created in the state treasury the group
4 insurance reserve fund. Investment income of the fund shall be added or
5 credited to the fund as provided by law. The cost of the plan of death and
6 long-term disability benefits shall be paid from the group insurance
7 reserve fund, which shall be administered by the board. Except as
8 otherwise provided by this subsection, for the period commencing July 1,
9 2005, and ending June 30, 2006, each participating employer shall
10 appropriate and pay to the system in such manner as the board shall
11 prescribe in addition to the employee and employer retirement
12 contributions an amount equal to .8% of the amount of compensation on
13 which the members' contributions to the Kansas public employees
14 retirement system are based for deposit in the group insurance reserve
15 fund. For the period commencing July 1, 2006, and all periods thereafter,
16 each participating employer shall appropriate and pay to the system in
17 such manner as the board shall prescribe in addition to the employee and
18 employer retirement contributions an amount equal to 1.0% of the amount
19 of compensation on which the members' contributions to the Kansas public
20 employees retirement system are based for deposit in the group insurance
21 reserve fund. Notwithstanding the provisions of this subsection, no
22 participating employer shall appropriate and pay to the system any amount
23 provided for by this subsection for deposit in the group insurance reserve
24 fund for the period commencing on ~~April 1, 2010, and ending on June 30,~~
25 ~~2010, and the period commencing on April 1, 2011, and ending on June~~
26 ~~30, 2011~~ *April 1, 2012, and ending on June 30, 2012.*

27 (B) The director of the budget and the governor shall include in the
28 budget and in the budget request for appropriations for personal services a
29 sum to pay the state's contribution to the group insurance reserve fund as
30 provided by this section and shall present the same to the legislature for
31 allowances and appropriation.

32 (C) The provisions of subsection (4) of K.S.A. 74-4920, and
33 amendments thereto, shall apply for the purpose of providing the funds to
34 make the contributions to be deposited to the group insurance reserve
35 fund.

36 (D) Any dividend or retrospective rate credit allowed by an insurance
37 company or companies shall be credited to the group insurance reserve
38 fund and the board may take such amounts into consideration in
39 determining the amounts of the benefits under the plan authorized by this
40 section.

41 (5) The death benefit provided under the plan of death and long-term
42 disability benefits authorized by this section shall be known and referred to
43 as insured death benefit. The long-term disability benefit provided under

1 the plan of death and long-term disability benefits authorized by this
2 section shall be known and referred to as long-term disability benefit.

3 (6) The board is hereby authorized to establish an optional death
4 benefit plan for employees and spouses and dependents of employees.
5 Except as provided in subsection (7), such optional death benefit plan shall
6 be made available to all employees who are covered or may hereafter
7 become covered by the plan of death and long-term disability benefits
8 authorized by this section. The cost of the optional death benefit plan shall
9 be paid by the applicant either by means of a system of payroll deductions
10 or direct payment to the board. The board shall have the authority and
11 discretion to establish such terms, conditions, specifications and coverages
12 as it may deem to be in the best interest of the state of Kansas and its
13 employees which should include term death benefits for the person's
14 period of active state employment regardless of age, but in no case, shall
15 the maximum allowable coverage be less than \$200,000. The cost of the
16 optional death benefit plan shall not be established on such a basis as to
17 unreasonably discriminate against any particular age group. The board
18 shall have full administrative responsibility, discretion and authority to
19 establish and continue such optional death benefit plan and the director of
20 accounts and reports of the department of administration shall when
21 requested by the board and from funds appropriated or available for such
22 purpose establish a system to make periodic deductions from state payrolls
23 to cover the cost of the optional death benefit plan coverage under the
24 provisions of this subsection (6) and shall remit all deductions together
25 with appropriate accounting reports to the system. There is hereby created
26 in the state treasury the optional death benefit plan reserve fund.
27 Investment income of the fund shall be added or credited to the fund as
28 provided by law. All funds received by the board, whether in the form of
29 direct payments, payroll deductions or otherwise, shall be accounted for
30 separately from all other funds of the retirement system and shall be paid
31 into the optional death benefit plan reserve fund, from which the board is
32 authorized to make the appropriate payments and to pay the ongoing costs
33 of administration of such optional death benefit plan as may be incurred in
34 carrying out the provisions of this subsection (6).

35 (7) Any employer other than the state of Kansas which is currently a
36 participating employer of the Kansas public employees retirement system
37 or is in the process of affiliating with the Kansas public employees
38 retirement system may also elect to affiliate for the purposes of subsection
39 (6). All such employers shall make application for affiliation with such
40 system, to be effective on January 1 or July 1 next following application.

41 (8) For purposes of the death benefit provided under the plan of death
42 and long-term disability benefits authorized by this section and the
43 optional death benefit plan authorized by subsection (6), commencing on

1 the effective date of this act, in the case of medical or financial hardship of
2 the member as determined by the executive director, or otherwise
3 commencing January 1, 2005, the member may name a beneficiary or
4 beneficiaries other than the beneficiary or beneficiaries named by the
5 member to receive other benefits as provided by the provisions of K.S.A.
6 74-4901 et seq., and amendments thereto.

7 Sec. 28. K.S.A. 2011 Supp. 74-4995 is hereby amended to read as
8 follows: 74-4995. (a) Employer and employee contributions shall be
9 governed by the provisions of K.S.A. 74-4919 and 74-4920, and
10 amendments thereto. For purposes of contributions to and benefits under
11 the Kansas public employees retirement system, compensation of a
12 member of the legislature under this act shall be a monthly amount equal
13 to: (1) The compensation to which the member was entitled for services as
14 a member of the legislature during the ~~period January 15 to February 14,~~
15 ~~inclusive, first 30 calendar days~~ of the most recent session in which the
16 member has served; and (2) any amount to which the member makes an
17 election pursuant to this subsection. *In addition to the provisions of*
18 *subsection (a)(1) and any election made pursuant to this subsection, the*
19 *compensation of a member shall include an additional five days of*
20 *compensation to which such member was entitled for services as a*
21 *member of the legislature of the most recent session in which the member*
22 *has served beyond the days provided for in subsection (a)(1).* In addition
23 to the provisions of subsection (a)(1), a member of the legislature may
24 elect to participate with a rate of compensation that includes: (A) For
25 service as a member after July 18, 1982, a monthly amount equal to $\frac{1}{12}$ of
26 the annualized amount received for monthly allowance under subsection
27 (c) of K.S.A. 46-137a, and amendments thereto; (B) a monthly amount
28 equal to $\frac{1}{12}$ of the annualized amount received for expenses allowance
29 under subsection (b) of K.S.A. 46-137a, and amendments thereto; or (C)
30 an amount equal to the combined amounts provided for in subsections (2)
31 (A) and (2)(B). A member of the legislature who has filed an election to
32 become a member of the system pursuant to the provisions of K.S.A. 74-
33 4992, and amendments thereto, prior to July 1, 2006, shall file an election
34 with the system to include any amounts specified in subsection (2)(A), (2)
35 (B) or (2)(C) prior to August 1, 2006, except that nothing contained in this
36 act shall be construed to permit a member of the legislature who has made
37 an election pursuant to this section prior to the effective date of this act to
38 revoke any such election previously made by such member. In the event
39 that any such member fails to file such election prior to August 1, 2006, it
40 shall be presumed that such member has elected to not include any

11 to which a member has elected pursuant to the provisions of subsection (a)
12 (2). The employee and employer contributions shall be remitted to the
13 system quarterly with a report of such contributions as may be required by
14 the board. Any changes in a member's rate of compensation and
15 contributions as a result of any election mandated by this section for a

17 of the system prior to July 1, 2006, shall be effective on October 1, 2006.
18 All such elections pursuant to this section shall be in the form and manner
19 prescribed by the board of trustees.

20 (c) *Any member of the legislature making the election pursuant to*
21 *subsection (a)(2) may not revoke such election while they remain a*
22 *participating employee for service as a member of the legislature.*
