19 *"Explanatory statement.* This amendment would authorize the  
 20 legislature to limit valuation increases of single-family  
 21 residential real property which is owned by and the principal  
 22 place of residence of a Kansas resident who is 65 years of age  
 23 or older in certain circumstances.

24 "A vote for this proposition would authorize the legislature to limit  
 25 valuation increases of single-family residential real property  
 26 which is owned by and the principal place of residence of a  
 27 Kansas resident who is 65 years of age or older. The  
 28 amendment would also allow the legislature to enact legislation  
 29 to limit application of this provision and enact other legislation  
 30 as necessary to administer this provision.

31 "A vote against this proposition would maintain the current system  
 32 of property taxation which provides no such authorization to  
 33 limit such valuation increases."

34 Sec. 3. This resolution, if approved by two-thirds of the members  
 35 elected (or appointed) and qualified to the Senate, and two-thirds of the  
 36 members elected (or appointed) and qualified to the House of  
 37 Representatives shall be entered on the journals, together with the yeas and
