

Board of Barbering; SB 353

SB 353 amends the law governing the license expiration restoration time frame of an applicant or instructor from three years to two years by the Board of Barbering. The bill also codifies two fees now in the Board's administrative rules and regulations, and currently charged by the Board for chair lease licenses and restoration of an expired chair lease license. Finally, the bill amends various statutes to strengthen the Board's ability to censure, limit, condition, suspend, revoke, or refuse to issue or renew a license.
