

Court Fees; Court of Appeals—Additional Judge Position

SB 97 extends for one year the judicial surcharge the Legislature authorized in 2010 Senate Sub. for HB 2476 to fund non-judicial personnel. The bill increases the surcharge by 25 percent in FY 2012.

The bill also delays the expansion of the Court of Appeals from 13 to 14 judges for one year, until December 31, 2012.
