

SESSION OF 2011

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2117**

As Amended by House Committee on  
Taxation

**Brief\***

HB 2117, as amended, would make several technical changes to the sales and use tax imposition statutes that would generally strike certain expired and never-utilized provisions.

The bill makes no substantive policy changes.

**Background**

The original bill was designed to repeal defunct language in the sales tax imposition statutes. The House Taxation Committee amended the bill to also strike language that authorizes an additional 2 percent tax to be levied within certain redevelopment districts, a provision which has never been utilized.

The bill has no fiscal impact.
