

SESSION OF 2011

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 97**

As Amended by Senate Committee on  
Judiciary

**Brief\***

SB 97 would extend the Judicial surcharge the Legislature authorized in 2010 Senate Sub. for HB 2476 to fund non-judicial personnel. The extension would be accomplished by eliminating the current sunset dates (usually June 30, 2011) from the applicable statutes. No surcharge amounts would be changed.

**Background**

The Judicial Branch requested the Senate Judiciary Committee introduce SB 97. As introduced, the bill would have extended the Judicial surcharge for another year.

In the Senate Judiciary Committee, a representative of the Judicial Branch appeared in support of the bill. No opponents provided testimony. The Committee amended the bill by eliminating the sunset dates and recommended it be passed as amended.

The fiscal note on the bill, as introduced, states the Judicial Branch FY 2012 budget, as submitted to the Legislature and included in *The FY 2012 Governor's Budget Report*, is based upon continuation of the surcharge. It is estimated the surcharge will produce \$9 million in revenues in FY 2012 for the Judicial Branch to use in funding non-judicial personnel. There is no fiscal note for the bill as amended.
