

SESSION OF 2011

**SUPPLEMENTAL NOTE ON SENATE  
RESOLUTION NO. 1817**

As Recommended by Senate Committee on  
Judiciary

**Brief\***

SR 1817 would disapprove Executive Reorganization Order No. 34, which would establish the Prisoner Review Board within the Department of Corrections, abolish the Kansas Parole Board, and transfer the powers, duties and functions of the Kansas Parole Board to the Prisoner Review Board. The Prisoner Review Board would consist of three members appointed by the Secretary of Corrections from among the existing employees of the Department of Corrections, and the Board would be administered under the supervision of the Secretary of Corrections.

The ERO would take effect on July 1, 2011, unless disapproved by either house of the Kansas Legislature.

**Background**

Article 1, Section 6, of the *Kansas Constitution* authorizes the Governor to reorganize state agencies within the executive branch of state government by issuing one or more executive reorganization orders and transmitting the same to the Legislature within the first 30 calendar days of any regular session. An executive reorganization order takes effect as general law on July 1 following its transmittal to the Legislature unless within 60 calendar days and before adjournment of the legislative session either the Senate or House of Representatives adopts a resolution by a majority vote of the members disapproving the executive reorganization order.
