Whenever the amount of fees collected pursuant to this subsection provides revenue in excess of the amount necessary to carry out the purposes for which such fees are collected, it shall be the duty of the secretary to decrease the amount of the fees prescribed for food establishments or food processing plants by amending the rules and regulations which fix the fees, as the case may be.

(h) Elementary and secondary education facilities that have school lunch programs subject to the national school lunch act, 42 U.S.C. § 1751 et seq., shall not be subject to the provisions of subsections (b) and (c)(1) through (c)(4) but shall have separate application and license fees as established by rules and regulations of the secretary.

(j) The secretary shall adopt rules and regulations necessary to carry out the provisions of this section including establishing minimum conditions necessary to operate and maintain a food establishment or food processing plant in a safe and sanitary manner, and establishing enforcement provisions necessary to effect complete compliance with such standards, provisions, rules and regulations.
