Friday, January 20

At 11:00 a.m., Chairman Sloan called the meeting to order.

A draft of the Committee Report was presented (Attachment 1).

Representative Holmes made a motion to approve the draft Report of the Select Joint Committee on Energy. Senator Lee seconded the motion. The motion passed.

Chairman Sloan directed the Committee's attention to a letter sent from Wichita State University (Attachment 2). The University stated that it would work to comply with KSA 75-3744a, which calls for all state agencies to use ethanol and bio-diesel fuels in their vehicles whenever such fuel is available within a particular price range. The statute provides certain exceptions.

The meeting was adjourned.
