Lord, we come to you, thanking you for the blessings and opportunities we have experienced over the years as we have looked to you for wisdom and guidance. We need that wisdom today as issues are debated on the floor of this government institution. I pray that these Representatives will desire to make right decisions, decisions that honor you and are truly good for the people of Kansas. May they have an discerning heart in working through the bills before them, that they might distinguish between right and wrong, and choose what is right. Only as they seek insight and understanding from you in the matters before them, can we continue to experience blessings from you hand. So give them a discerning heart. EXPLANATIONS OF VOTE

MR. SPEAKER: While we disagree with the premise of **HB 2019**, we vote aye because many of our constituents have asked us to do so.

Our hope is this legislation will not be the beginning of an erosion of the checks and balances system so important to our form of government. We also hope that whoever the sitting Governor may be, that person will not use this legislation to reward friends and supporters but will use it wisely in appointing judges to the Court of Appeals. –

VERN SWANSON RICHARD PROEHL

MR. SPEAKER: Out of a political scandal 57 years ago emerged a method of selecting appellate judges that has served the State of Kansas well.

Kansans can take pride in their judiciary. Nothing has changed to support a new system. The movement for change is being swept along due to a couple of legislative

unpopular decisions. The judiciary should be insulated from changes in the political climate. The Rule of Law should be the bedrock of our society. I vote NO on **HB 2019**.

– STEVEN R. BECKER

MR. SPEAKER: I am voting no on **HB 2019** for two reasons: First and foremost is the fact that we will now have one form of selection for the Appellate Bench and a different selection process for the Supreme Court Bench. Second, I support direct elections as we have in the 18th Judicial District. It has worked out very well in this District.

Ultimately a vote on the Constitutional Amendment for the selection of the Supreme Court Judges using the federal model is preferable as the voting public has the final say.

– DAN HAWKINS

MR. SPEAKER: The only proper way to change judicial selection is with a constitutional amendment, so that the people of Kansas can ultimately decide how their appellate judges should be selected. Our current system brings together members of the public, legal experts and the Governor to ensure the independence of our courtrooms. This system has worked well for nearly 60 years and has yielded the “fifth best legal climate in the country” for business. Our merit based selection system should be maintained to avoid politicizing the process and inviting the influence of money. I vote no on **HB 2019**. – DON HILL

EXPLANATIONS OF VOTE

MR. SPEAKER: The Legislature has a history of proposing grand plans that may make good policy and subsequently failed to fund the necessary programs to ensure the success of those plans. I fear that we will once again neglect our duty to fund the mental health, substance abuse, community corrections, and court services required and that **HB 2170** will become an unfunded mandate on our local tax payers. I vote NO on **HB 2710**. – NILE DILLMORE

MR. SPEAKER: I vote YES on **HB 2170**. While I love prisons (Hutchinson has three) there is no money to build new prisons. This bill does not shorten anyone's prison time, but actually increases post release supervision time for some prisoners. It also allows us to be smarter about who might re-offend.

We need to be smarter about who we put in prison, and smarter on who is strictly supervised. – JAN PAULS

EXPLANATION OF VOTE

MR. SPEAKER: I vote Aye on **HB 2074**. I support **HB 2074** because it protects the private property rights of privately-owned landfill companies and their ability to do business with other cities and counties outside of the jurisdiction in which they reside. Cities and counties are still free to place restrictions on their own residents, but they should not have the ability to place solid waste disposal restrictions on residents outside their jurisdiction. – KEITH ESAU

EXPLANATION OF VOTE

MR. SPEAKER: “Celebrate Freedom Week,” is admirable, but passing down yet another unfunded mandate onto local schools is not. Many schools already “celebrate freedom” on Constitution Day, and throughout the year. We should preserve teachers' freedom to determine how they do this. This Legislature has developed a bad habit of picking when it believes in local control and when it does not.

Further, we have a system in place to develop education curriculum standards. The Legislature should abide by that system. If we are going to debate education, we should talk about properly funding it rather than dictating curriculum standards. We vote no on **HB 2280**. – PAUL DAVIS, ANNIE TIETZE, ED TRIMMER, VALDENIA WINN, JOHN ALCALA

MR. SPEAKER: I believe in the importance of our founding history, and the celebration of the principles of freedom, however it is not the proper role of the legislature to designate curriculum specifics. That responsibility is conferred to the state board of education in Article 6, Section 2A of the Kansas Constitution. The Education Committee has been working to reduce the regulatory burden on our schools, but this

bill adds to that burden. A resolution or proclamation would have been the appropriate vehicle, rather than a mandate from the legislature, therefore I voted no on **HB 2280**. –
