

Journal of the House

FORTY-FIRST DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Monday, March 17, 2014, 11:00 a.m.

The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 123 members present.

Reps. Anthimides and Thimesch were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Roger Gustafson, Bishop, Central States Synod of the Evangelical Lutheran Church in America, and guest of Rep. Gandhi:

Good and gracious Creator, we gather before you this morning as leaders of a great state in our great country. For all of the blessings that you have entrusted to us to use and to share, we give you thanks. We gather also as leaders in deep need of your guidance and counsel. The responsibility of leadership comes as a gift and trust from you alone, but it is a responsibility that we dare not assume on our own. We know this. We know that, left to our own devices, we so often seek our own advantage rather than the good of all your children; so we pray for hearts and minds that are open first of all to you. We are bold this morning to ask for the gifts of wisdom and compassion and humility as we do the work of your people. Amen.

The Pledge of Allegiance was led by Rep. Menghini.

CELEBRATION OF ST. PATRICK'S DAY

In celebration of St. Patrick's Day, former Senator Rich Gannon played traditional Irish melodies on the bagpipes.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hibbard are spread upon the Journal:

Today, I have with me the Class 2A State and Regional Scholars' Quiz Bowl Champions from Yates Center High School. Included in this group are: Seniors – Myles Dice and Ryan Mentzer; Juniors – Rhett Stratman and Andrew Pringle; Sophomores – Hayden Splechter and Charles Hess, and their coach, Collette Jacobs.

An interesting side note is that in the final match, they defeated West Elk High

School from Howard, another 2A school in my District.

Even with the challenges we are having in education, District 13 is putting out a great group of students.

Rep. Hibbard presented the team with a framed House certificate.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following bill and concurrent resolution were introduced and read by title:

HB 2768, AN ACT concerning education; relating to capital outlay; making and concerning appropriations for the fiscal year ending June 30, 2015, for the department of education; amending K.S.A. 2013 Supp. 72-8814 and repealing the existing section, by Committee on Appropriations.

HOUSE CONCURRENT RESOLUTION No. **HCR 5032**—

By Committee on Appropriations

A PROPOSITION to amend article 11 of the constitution of the state of Kansas by adding a new section thereto, concerning a budget stabilization fund and a disaster relief fund in the state treasury.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 11 of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

§ 14. Budget Stabilization Fund and Disaster Relief Fund. (a) On July 1, 2015, a budget stabilization fund and a disaster relief fund shall be established and maintained in the state treasury.

(b) For any fiscal year that commences on or after July 1, 2015, if the total state revenue exceeds the total fiscal year spending for that fiscal year, then, on July 1 of the ensuing fiscal year, 50% of such excess amount shall be transferred as follows: 70% to the budget stabilization fund; and 30% to the disaster relief fund. Any amount required to be maintained in the ending balance of the state general fund as provided by law shall be excluded from the amount available for transfer to the budget stabilization fund or disaster relief fund by this section.

(c) Amounts in the budget stabilization fund and the disaster relief fund may be invested as provided by law and the earnings thereon shall be retained in the budget stabilization fund and the disaster relief fund.

(d) Pursuant to this section, no additional moneys shall be transferred into the budget stabilization fund if the balance in the fund is equal to or more than 7% of the total fiscal year spending for the preceding fiscal year. Pursuant to this section, no additional moneys shall be transferred into the disaster relief fund if the balance in the fund is equal to or more than 3% of the total fiscal year spending for the preceding fiscal year. The legislature may provide, by law, for additional amounts of total state revenue to be deposited in the budget stabilization fund and the disaster relief fund.

(e) (1) (A) For any fiscal year that commences on or after July 1, 2015, if the amount of the total state revenue is less than the amount of the total state revenue for the prior fiscal year, the legislature may provide by enactment of a law for the transfer of moneys from the budget stabilization fund to the state general fund in an amount equal to the lesser of:

(i) Not more than the difference between the amount of the total state revenue for the prior fiscal year and the amount of the estimated total state revenue for the current fiscal year; or

(ii) 50% of the balance in the budget stabilization fund.

(B) Under no other circumstances shall moneys be transferred or expended from the budget stabilization fund.

(2) (A) Moneys in the disaster relief fund may be expended only for an emergency declared by the governor to exist within the state.

(B) Under no other circumstances shall moneys be transferred or expended from the disaster relief fund.

(f) As used in this section:

(1) "Emergency" means an extraordinary event or occurrence that could not have been reasonably foreseen or prevented and that requires immediate expenditures to preserve the health, safety and general welfare of the people within the state and "emergency" does not mean a revenue shortfall or budget shortfall.

(2) "Fiscal year spending" means all expenditures and reserve increases except, as to both, (A) expenditures for refunds of any kind, (B) expenditures of moneys received from the federal government, moneys received as grants, gifts or donations which are to be expended for purposes specified by the donor, moneys that are collections for another government, moneys received for pension contributions by employees and pension fund earnings, or (C) budget stabilization fund transfers, disaster relief fund transfers, or expenditures in accordance with this section.

(3) "Total state revenue" means all moneys received by the state from any source except any of the following:

(A) Moneys received as grants, gifts or donations which are to be expended for purposes specified by the donor;

(B) moneys received from the federal government; and

(C) moneys which are income earned on moneys in permanent endowment funds, trust funds, deferred compensation funds or pension funds that are credited to such funds.

(g) The legislature may enact laws to carry out the purposes of this section.

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to establish a budget stabilization fund and a disaster relief fund in the state treasury.

"A vote for this proposition will:

(1) Establish a budget stabilization fund and a disaster relief fund in the state treasury. Each year, if the total state revenue exceeds the total spending for that fiscal year, then, 50% of such excess amount shall be transferred as follows: 70% to the budget stabilization fund; and 30% to the disaster relief fund.

Additional amounts could be deposited in these funds by act of the legislature.

(2) Provide that amounts could be withdrawn from the budget stabilization fund if the amount of the estimated total state revenue for the current fiscal year is less than the amount of the total state revenue for the prior fiscal year, the legislature may transfer moneys from the budget stabilization fund to the state general fund in an amount equal to the lesser of: (A) Not more than the difference between the amount of the total state revenue for the prior fiscal year and the amount of the estimated total state revenue for the current fiscal year; or (B) 50% of the balance in the budget stabilization fund.

(3) Provide that amounts could be withdrawn from the disaster relief fund only for an emergency declared by the governor to exist within the state.

"A vote against this amendment would make no changes in current law concerning the state's finance."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in the year 2014 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

EXPLANATION OF VOTE

MR. SPEAKER: While I strongly support the initial underlying bill, **Sub HB 2541** was materially altered by an un-friendly, un-vetted amendment that had no hearing in committee. With this amendment, **Sub HB 2541** became a bill that would allow residents of Missouri to dispose of recyclable materials in the Johnson County landfill, threatening the longevity of this facility and greatly increasing the likelihood that residents of Kansas' most populous county will soon have to dispose of their waste in neighboring counties. This bill is hostile to sensible solid waste plans from responsible governments, and therefore, I vote NO on **Sub HB 2541**. — STEPHANIE S. CLAYTON, DON HINEMAN, EMILY PERRY, MELISSA ROOKER, BARBARA BOLLIER

HB 2578, AN ACT concerning firearms; relating to certification by a chief law enforcement officer for the transfer of a firearm, was considered on final action.
