

Journal of the House

FIFTIETH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, April 1, 2014, 10:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 123 members present.

Rep. Kiegerl was excused on verified illness.

Rep. Thimesch was excused on excused absence by the Speaker.

Prayer by guest chaplain, Dr. LeRoy Herder, pastor, First Christian Church, Phillipsburg, and guest of Rep. Couture-Lovelady:

Almighty and everlasting God

We come before you today in a time of great anxiety and concern for the world in which we live. There are wars and rumors of war, brave soldiers who defend our freedom many have paid the ultimate price, financial institutions are on shaky ground, and families wondering how they will pay the bills.

Give us exceptional vision and the courage to dream new dreams; to see new possibilities. To look forward with hope, resting in your blessed assurance that you will never leave us or forsake us.

So, today, with abiding faith and calm assurance, we invoke your presence on these preceding.

Where we lack wisdom let us humbly ask God who gives wisdom to all men generously and without reproach, that the decisions made in this house will be touched by God himself.

Father, You guide and govern everything with order and love. Look upon the assembly of these leaders and fill them with the spirit of Your wisdom. May they always act in accordance with Your will and their decisions be for the peace and well-being of all. Amen.

The Pledge of Allegiance was led by Rep. Houston.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Howell and DeGraaf are spread upon the Journal:

Thank you Madam Speaker, Representative DeGraaf, Representative Clayton and I stand together today to recognize Derby High School athletics and their extracurricular

activities for their recent successes. This year, Derby has many students that are literally at the top of their game. These spirited, hard-working students have demonstrated a competitive nature bringing themselves, their teams, and their community much enjoyment.

To commemorate today's recognition, we welcome Derby High School Principle Tim Hamblin and Head Coach Brandon Clark, along with several high-performing athletes from the School. Please welcome Tanner Anderson who played on the offensive line. He is headed to the University of S. Dakota where he will play football. We recognize Cole Hanson who also played on the offensive line and is set to play football at the Air Force Academy. Luke Palmer played wide receiver for Derby and now heads to Emporia State. Finally, Caleb Arnold also played wide receiver and is now signed up to play football at Dodge City Community College.

The Derby Panther Football Team, led by Coach Clark, finished the 2013 football season with a remarkable 12-1 record including an 11-game winning streak. The 2013 Derby High School Football Panthers won the Kansas State Title Game for the second time in Derby's history. This is the first championship victory since 1994 which was before these players were even born. Out of the thirty-two largest Kansas schools in the state, Derby is just one of 15 schools that has ever won this title and one of the elite nine that has now won it more than once.

In their final victory, the Derby Panthers Football team won the 2013 Kansas 6A State championship with a 28-21 victory over Shawnee Mission East High School Lancers on November 30, 2013, in Topeka, Kansas. Although Representative Stephanie Clayton represents the Shawnee Mission East District, she is here today to help us celebrate the Panthers win! Representative Clayton is wearing Derby football jersey number one because she is the number one Derby Panther fan today!

The 2013 Derby High School Football team's extraordinary season includes many accomplishments including ranking as the number one scoring offense in 6A with 615 points in 13 games, as well as the number one scoring defense during the season. The varsity starters only allowed eight touchdowns in 13 games. Additionally, 10 players received 6A All-State honors and 14 players were offered college football scholarships. Furthermore, knowing that the Panthers have made it to the state football semifinals in three of the last four years demonstrates the extraordinary leadership skills of Coach Clark.

That is not all. Other Derby High School athletic teams and extracurricular activities have had successful seasons this past year. The baseball and softball teams both were regional champions and placed fourth at the state tournament. The wrestling team was the regional runner-up and placed third at the state tournament. The boys' basketball team were named league champions and placed third at the state tournament. The boys' and girls' tennis teams were both regional runners-up. In 2013, the boys' soccer team were the league champions, regional champions, quarterfinal champions and placed fourth at the state tournament. The marching band was named Grand Champion at the Neewollah Marching Band Competition. The Air Force Junior ROTC earned more top place finishes than ever before.

The Derby High School athletics and extracurricular activities are off to a great start in 2014, with the boys' basketball team being named league champions for the third year in a row. The girls' bowling team has been named league champions. The boys' bowling team has been named league champions and state runner-up; boys bowling

team member Noah Brooks was named state champion. The wrestling team was named regional champions and state runner-up; team member Tanner Smith was named state champion. Finally, the scholars bowl team made it to the state tournament.

Derby High School students who participate in athletics and extracurricular activities work hard in school and for their team. The students' dedication to their teams is a point of pride for their families, school and the Derby community.

Therefore Madam Speaker, we congratulate Derby High School athletic teams and extracurricular activities on their outstanding seasons. We wish the students and their coaches continued success.

Colleagues, please stand with us and congratulate the Derby High School for their outstanding and extraordinary sports and extracurricular accomplishments!

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ryckman, Jr. are spread upon the Journal:

It's a tremendous privilege for me to recognize my college basketball coach from Mid-America Nazarene University, Rocky Lamar. Coach Lamar was just elected to the NAIA Hall of fame.

Standing with me today are current and former players, including teammates of mine. In addition we have MNU President, Dr. David Spittal; Athletic Director, Kevin Steele and Coach Lamar's wife and the world's second best cookie baker, Dr. Jo Lamar.

In addition to this year's accomplishments, Coach Lamar's teams have won 20 games, 21 times. He has been named Heart of America Athletic Conference Coach of the Year six times. He was named NAIA Coach of the Year. The Pioneers have won 12 conference championships and have been to the NAIA national tournament 18 times--reaching the final four 8 times, the finals 3 times and were National Champions in 2007.

Those wins are evident to all, but we players know what our coach is truly about.

When I think of coach, I don't think about the national championship, the final four this year, or the scores of victories. I, like everyone who played for you, think about character. I think about values. I think of learning and growing, of commitment and the reward of hard work. I think of respect, and I think of love.

What is team? It's a group working together for a common goal. It's sacrificing so that those around you succeed. It's putting what's best for the whole ahead of what's best for you. Coach, you taught me that.

Let me tell you a story about a kid from Meade, Kansas. Olathe was the big city to me. It was a foreign and frightening place, and I remember the feeling I had when I arrived on campus that first day. There was excitement, but I have to admit it was overshadowed by anxiety. That was until I met the family coach had created. And I stand with that family today.

I remember my first practice, and I thought I was giving it my all. You got in my face and yelled, "Ryckman, you are not in Meade, KS anymore." As usual, you were right. I wasn't, and that was a lesson I carry today. You made me realize that if I was going to be a successful member of your team or in life, I needed to dig deeper. We all always have more to offer than we realize.

Coach, the bottom line is this. YOU helped make me the man I am today. The father, the friend, the colleague, the devoted church member. I'm just one of the hundreds of

lives you've helped shape, but I suspect you will hear these very same thoughts and themes echoed by each one of them.

On behalf of every player you coached and every fan to whom you've brought joy, thank you.

Rep. Ryckman, Jr. presented a framed House certificate to Coach Lamar.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Christmann are spread upon the Journal:

In a few moments, you will hear Representative Ryckman Sr. introduce a resolution. In special regards to that resolution, I would like to introduce an individual who has become a familiar face in these hallowed halls. Many of you were probably unaware he has Parkinson's Disease. Goodness knows his fast pace and passion overshadow his illness. But there is much more about J. Basil Dannebohm you don't know. I would like to take a moment to share with you a bit and help you put a name with the face.

As a youth in his hometown of Ellinwood, Kansas; Basil worked as a tour guide for the underground tunnels and recruited young people to assist with a community recycling project as well as the Wheat Bowl Football Classic. He was mentored by some of the community's finest and had instilled in him an understanding of service that remains with him to this day.

Over the course of his career, Basil traveled far from home, but he kept his love for Kansas within his heart.

As Representative Ryckman will share with you in a few moments, in September of 2012 while living in California, Basil was diagnosed with Young Onset Parkinson's Disease. But Basil vowed that the infirmity would not infringe on his lifestyle. He recognized that health is important and life is short and he longed to return to Kansas so that he might once again serve the state he so loved. So he returned home to the plains of Kansas from California on Kansas Day, January 29th, 2013 and in a short time, has once again been a trailblazer in our great state, organizing rural leadership workshops, festivals, bringing the community together for a common good; and serving on several leadership committees.

After 18 years of being away from Ellinwood, Basil returned home to serve as Administrator of the Ellinwood Chamber of Commerce. The accomplishments are too many to mention. Under his leadership, the organization has soared to new heights. Membership has increased, there is a new positive energy in the community. I can say with certainty that the Ellinwood Chamber is one of the most active in my district. Today I am proud that a contingent from Ellinwood joins us on the floor. Ellinwood, Kansas is a city on the move and I am honored to be able to celebrate the community's accomplishments. Basil credits his members and his board for the chamber's success and today, both have accompanied him here on the house floor. He speaks highly of these individuals and considers them extended family. Without fail, each time I am with Basil he shares with me how important these people are to him and how the decisions we make on this very floor affect life in Ellinwood, Kansas. Luckily, he has been proud of our work thus far. But more important than our work here, Basil is profoundly impressed at the hard work of his board and the many volunteers who contribute to the

success of the Ellinwood Chamber.

I think they would agree that Basil's life experiences and "can do" personality, give him a high potential for making a difference not only locally in his community, but also broadly at a state or even national level if afforded the opportunity.

It is with this reason in mind that I celebrate the accomplishments of the Ellinwood Chamber of Commerce and applaud Basil for his passion, his service and his genuine love and dedication to the great state of Kansas.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Ryckman, Sr., **HR 6061**, A RESOLUTION designating April 2014 as Parkinson's Disease Awareness Month, was adopted.

There being no objection, the following remarks of Rep. Ryckman, Sr. are spread upon the Journal:

It is once again my honor to take time to recognize Parkinson's Awareness Month. On this, a day commonly associated with trickery, I am here to remind you that Parkinson's Disease is no foolish matter. It affects far more than simply the elderly.

Take for example, those joining me on the floor today.

Some of you may recognize Rob Peppers. For 19 years, he was chief meteorologist for CBS-affiliated television station WIBW here in Topeka, Kansas. In 2007, he stepped down due to his health. Today, Rob is a Parkinson's patient and advocate. I'm truly honored that he could join us on the floor today and commend his good work here in Northeast Kansas to move the cause along and provide support for those in need.

Some of you may remember Lisa Reser from last year's proclamation. She's a teacher suffering from Parkinson's Disease. Though she faces the daily challenges of living with the disease, she is committed to broadening the minds of her students. I'm really delighted that Lisa could be with us again this year.

Finally, I am pleased to welcome a friend of the Kansas Legislature, J. Basil Dannebohm. I know most of you recognize Basil though you probably didn't realize that he lives each day with Young Onset Parkinson's Disease. My esteemed colleague, Representative Christmann would like to share a bit more with you about Basil.

In the meantime, before I conclude, I would like to recognize the individuals who came to support Rob, Lisa and Basil. Joining us on the floor are: Lloyd Kurtz, John and Jacque Isern, Taylor Schartz, Gayle Christy, Linda Borrer, Sharon Schartz, Dr. Catherine Strecker and Father Pascal Klein - if I have left anybody out, I hope you will forgive me.

Members of the House, this is the second year we have recognized the month of April as Parkinson's Awareness Month. This year, our colleagues in the Senate as well as Governor Brownback will do the same. I hope you will join me this month in

remembering those who suffer from this disease in our thoughts and prayers. They do a lot for our great state.

MOTIONS TO CONCUR AND NONCONCUR

On motion of Rep. Brunk, the House concurred in Senate amendments to **Sub HB 2002**, AN ACT concerning the division of post audit; relating to certain financial and security audits; amending K.S.A. 2013 Supp. 46-1106, 46-1118 and 74-4921 and repealing the existing sections; also repealing K.S.A. 74-8707.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Bollier, **HR 6071**, by Rep. Bollier, as follows, was introduced and adopted:

HOUSE RESOLUTION No. **6071**—

A RESOLUTION designating April 7-13, 2014, as National Public Health Week in Kansas and supporting the American Public Health Association and the Kansas Public Health Association.

WHEREAS, The week of April 7-13 is National Public Health Week and the theme is Public Health: Start Here; and

WHEREAS, Since 1995, the American Public Health Association, through its sponsorship of National Public Health Week, has educated the public, policy-makers and public health professionals about issues important to improving the public's health;

and

WHEREAS, Seven in 10 deaths in the U.S. are related to preventable diseases such as obesity, diabetes, high blood pressure, heart disease and cancer; and

WHEREAS, One in two deaths in Kansas are related to preventable diseases such as diabetes, high blood pressure, heart disease and cancer; and

WHEREAS, Seventy-five percent of our nation's healthcare dollars are spent treating such diseases. However, only 3% of our health care dollars go toward prevention; and

WHEREAS, Nearly $\frac{1}{3}$ of all students in the United States do not graduate from high school on time. Students who do not graduate face lifelong health risks and high medical costs, and are more likely to engage in risky health behaviors. They are less likely to be employed and insured, and they earn less, all of which continues the cycle of poverty and disparity; and

WHEREAS, More than half of all cancer deaths could be prevented by making healthy choices, such as not smoking, staying at a healthy weight, eating right, keeping active and getting recommended screening tests; and

WHEREAS, Foodborne contaminants cause an average of 5,000 deaths, 325,000 hospitalizations, 76 million illnesses and cost billions of dollars annually. The five most common foodborne pathogens cost the U.S. economy more than \$44 billion each year in medical costs and lost productivity; and

WHEREAS, Strong public health systems are critical for sustaining and improving the health of all Kansas communities: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we support the efforts of the American Public Health Association and the Kansas Public Health Association. Specifically, we recognize the week of April 7-13, 2014, as National Public Health Week in Kansas. We call upon the people of Kansas to observe this week by helping our families, friends, neighbors, co-workers and leaders better understand the importance of public health to a successful health system by remembering this year's theme, Public Health: Start Here; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send one enrolled copy of this resolution to the Kansas Department of Health and Environment and one enrolled copy to the University of Kansas Medical Center.

There being no objection, the following remarks of Rep. Bollier are spread upon the Journal:

It is a privilege to stand before you today to introduce HR 6071 recognizing the week of April 7-13 as National Public Health Awareness Week. The students with me in front of you are Masters of Public Health students at KU Med Center and attend colleges around the state. I am proud of the work they are doing to bring awareness to public health issues in Kansas. Health matters!

As you listened to the reading of the Resolution, you heard many different facets that are encompassed by public health, including cancer, diabetes, graduation from high school, preventive medicine, and public policy. Each of our individual health affects the sum of our public health. All of you have voted on numerous bills that affect health policy in our state, and dollars that we appropriate facilitate the administration of our public health policy. I encourage each of you next week, April 7-13, to reach out to your constituents to become aware of public health issues in Kansas and the need to be a part

of improving all health in the state. Thank you to these wonderful students.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **HR 6071**. While public health is an important and valid matter of legislative concern, I cannot support this Resolution. At the core of our concern for public health must be an acknowledgment of the sanctity of every human life. The American Public Health Association, a group acknowledged in the resolution, has a disgraceful history of supporting a virtually unlimited abortion license, including taxpayer funding for abortion. As a matter of conscience I cannot support any endorsement, direct or indirect, of an organization that supports a culture of death.-- LANCE KINZER, WILLIE DOVE, JOHN RUBIN, VIRGIL PECK, JR., CHARLES MACHEERS, JOSH POWELL, RANDY GARBER, JIM HOWELL
