FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HB 2060, AN ACT concerning taxation; relating to food sales tax refunds and homestead property tax refunds; certain confined persons; earned income tax credit; amending K.S.A. 79-4505 and K.S.A. 2012 Supp. 79-32,205, 79-4502, 79-4508 and 79-4509 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 25; Nays 15; Present and Passing 0; Absent or Not Voting 0.

Nays: Emler, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Holmes, Kelly, Longbine, McGinn, Petersen, Pettey, V. Schmidt, Wolf.

The bill passed, as amended.

EXPLANATION OF VOTE

Madam President: I vote NO on **HB 2060**. The Earned Income Tax Credit provides an important tax benefit for low-wage workers and encourages employment. I do not support, especially without an analysis of the effects, reducing this benefit to provide benefits to others. I recognize that the majority of the Senate feels differently and is suggesting that the EITC be reduced and some 42 million dollars be used to expand Homestead Property Tax Refunds. If that is the desire of the Senate, and the goal is to help "those who most need our help", then the program for Homestead Property Tax Refunds should be expanded to also reinstate the program for renters.—MARCI FRANCISCO

Senator Haley requests the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on **HB 2060**.

Madam, President: While I (we) support property tax relief, I (we) do not believe the best way to provide that relief is by reducing the Earned Income Tax Credit. This bill takes from one group of low income families and redistributes it to another group of low income families/individuals. These two groups do not necessarily overlap. HB 2060 makes us choose between two worthy causes, which causes me discomfort voting either way. Reluctantly, we must choose to maintain existing assistance for the low income earner over expanding another benefit. I (we) must vote no to **HB 2060**, but will look for other opportunities for property tax relief in future bills.—MITCH HOLMES

Senator Pettey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Holmes on **HB 2060**.

Madam President: I do support the provision in this bill that disallows incarcerated persons from receiving a food sales tax rebate or a homestead tax refund, but I vote no. I proposed and voted for an amendment to this bill that would have eliminated the Kansas Earned Income Tax Credit reduction while keeping the increase in refunds for recipients of the Kansas Homestead Refund program. I did so because it represented a tax policy that is really fair and takes care of those who benefit from the EITC and those who benefit from the Homestead Tax Refund. And, I believe we should help both. That amendment failed. This bill cuts \$42 million from a program that President Ronald Reagan contended was the best anti-poverty measure ever passed by Congress, and I agree. The EITC encourages work and supplements wages of low income Kansans who are struggling to make ends meet. Reducing the Kansas Earned Income Tax Credit to expand the Homestead Property Tax Refund program is taking money away from the least among us to give money to the least among us. That is why I vote no.—ANTHONY HENSLEY

Senators Faust-Goudeau, Haley, Hawk, Holland and Kelly request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **HB 2060**.

HB 2253, AN ACT concerning abortion; relating to the funding of abortion services; relating to prenatally and postnatally diagnosed conditions; relating to restrictions on late-term abortions; relating to the woman's-right-to-know act; amending K.S.A. 2012 Supp. 40-2246, 65-6701, 65-6703, 65-6709, 65-6710, 76-3308, 79-32,117, 79-32,138, 79-32,182b, 79-32,195, 79-32,261 and 79-3606 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 29; Nays 11; Present and Passing 0; Absent or Not Voting 0.

Yeas: Abrams, Apple, Arpke, Bowers, Bruce, Denning, Donovan, Fitzgerald, Holmes, Kerschen, King, Knox, LaTurner, Longbine, Love, Lynn, Masterson, McGinn, Melcher, O'Donnell, Olson, Ostmeyer, Petersen, Pilcher-Cook, Powell, Pyle, Smith, Tyson, Wagle.

Nays: Emler, Faust-Goudeau, Francisco, Haley, Hawk, Hensley, Holland, Kelly, Pettey, V. Schmidt, Wolf.

The bill passed, as amended.

EXPLANATION OF VOTE

Madam President: I vote NO on **HB 2253**. The issue of abortion is complex, and I came to the debate on this bill knowing that there was strong support in the legislature for changes to our abortion statutes. I offered amendments that I believed were looking for common ground: to allow insurance policies to cover expenses for a pregnancy that was the result of rape, to allow for tax deductions for medical expenses for an abortion necessary to save the life of a mother, and to be inclusive of domestic partners as well as spouses in programs and services for women who have received a positive diagnosis of Down Syndrome or other conditions for their child. These amendments were rejected. The bill contains unsubstantiated definitions, references, and requirements, and increased costs for health care clinics. I would hope that we would take a closer look at the language before it becomes law. Ultimately, I don't believe that more government intrusion into a woman's personal decisions makes Kansas families or our state stronger.

—MARCI FRANCISCO

Senator Kelly requests the record to show she concurs with the "Explanation of Vote" offered by Senator Francisco on **HB 2253**.

Madam President: Every child deserves a family that loves and nurtures them. Unfortunately life challenges can force a woman and her family to make a difficult choice. She may not have chosen to become pregnant but she should have factual information if she is going to choose to have an abortion. She is not well-served by false health alarms. I vote no on **HB 2253**.—PAT PETTEY

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pettey on **HB 2253**.

EXPLANATION OF VOTE

Madam President: I vote NO on **S Sub for HB 2055** because of the rushed way the bill has been brought to this chamber and represented. **S Sub for HB 2055** would expand gaming in Kansas by substantially lowering the “buy in” threshold for a casino in southeast Kansas. This bill was sold on the premise that it would limit gambling in Kansas by eliminating the possibility for three racetracks to reopen. However, there are already significant impediments to these racetracks reopening, otherwise they would have done so. In fact, an amendment was offered to cut the proceeds the Woodlands racetrack would have to pay because under current law the operation is not financially feasible. If we are going to seriously look at gambling bills, they should go through the proper committee process to provide transparency and security for the citizens of Kansas.— CAROLYN MCGINN
