

Journal of the Senate

SIXTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, May 16, 2013, 10:30 p.m.

The Senate was called to order by Vice President Jeff King.
The roll was called with thirty-eight senators present.
Senators Faust-Goudeau and Hawk were excused.
Invocation by Father Don Davidson:

Heavenly Creator we pause in these hectic days to say thanks for our families, especially the immediate family of our legislators, staff and support teams. Truth is, it is not always easy to live with the struggles of life as a member and staff member of a decision making body. Often the highs and lows can be translated into over optimistic enthusiasm or just downright grumpiness in the home, on the cell or even worse e-mail. Help us all, Lord, to have patience and love for our families with the attitude and kindness they deserve. Soon the session will be over, and we will need them even more. Bless us and them dear Lord. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

Commencing on the effective date of this act, any child who was receiving benefits pursuant to this section and who had such benefits terminated by reason of such child's marriage, shall be entitled to once again receive benefits pursuant to this section subject to the limitations contained in this section, except that such child shall not be entitled to recover any benefits not received after the termination of benefits by reason of such child's marriage but before the effective date of this act. (6) The provisions of law in effect on the retirement date of a member under the system shall govern the retirement benefit payable to the retirant, any joint annuitant and any beneficiary.

Sec. 5. K.S.A. 74-4965 is hereby amended to read as follows: 74-4965. (1) ~~Except as otherwise provided in this section~~ Commencing with the first payroll period beginning on or after July 1, 2013, each participating employer shall, ~~beginning with the first payroll period for services performed after the entry date~~, deduct from the compensation of each member ~~7%~~ 7.15% of such member's compensation as employee contributions, except that in the case of a member whose employment is covered by social security and the member is a member of the class certified in the case of Brazelton v. Kansas public employees retirement system, 227 K. 443, 607 P.2d 510 (1980), the deduction from such member's compensation shall be reduced by the amount of such member's contributions to social security. For participating employers who join the system on or after July 1, 2013, such deduction shall commence beginning with the first payroll period for services performed after the entry date.

(2) For any member other than a member who is a member of the class certified in the case of Brazelton v. Kansas public employees retirement system, 227 K. 443, 607 P.2d 510 (1980), no employee contributions shall be reduced because of contributions to social security.

(3) All such deductions shall be remitted quarterly, or as the board may otherwise provide, to the executive director for credit to the Kansas public employees retirement fund and shall be credited to the members' individual accounts. Interest on each member's accumulated contributions at the rate determined under subsection (a) of K.S.A. 74-4922, and amendments thereto, shall be added annually to the member's individual account.

(4) ~~For all payroll periods commencing on or after the effective date of this act, each participating employer shall deduct from the compensation of each member who~~

has received 32 years of credited service, 2% of such member's compensation as employee contributions. For each member that is having 2% of such member's compensation deducted as employee contributions on July 1, 2013, for all payroll periods commencing on or after July 1, 2013, the participating employer shall deduct from the compensation of each such member 7.15% of such member's compensation as employee contributions. Such member may repay in a lump sum prior to or on such member's date of retirement, an amount equal to the difference between contributions actually made by the member and contributions which would have been made had such member always been contributing at the employee contribution rate prescribed by subsection (1) for all such service earned during the period of time the member made contributions at the 2% employee contribution rate, with interest. Such repayment, if made at retirement, may be deducted from the proceeds of the partial lump sum retirement options as prescribed in subsection (5)(G) of K.S.A. 74-4964, and amendments thereto, in the event the member elects such option. Such member shall pay the actual amount plus interest at a rate specified by the board. Any member who makes such a payment shall be entitled to service credit for purposes of calculation of retirement benefits pursuant to the provisions of K.S.A. 74-4958 and 74-4958a, and amendments thereto, for all years of service wherein such member contributed at the employee contribution rate prescribed by subsection (1), including all years of service such member previously paid at the 2% employee contribution rate but prior to or on such member's date of retirement repaid the difference pursuant to this subsection.

(5) (a) Subject to the provisions of K.S.A. 74-49,123, and amendments thereto, each participating employer, pursuant to the provisions of section 414(h)(2) of the federal internal revenue code, shall pick up and pay the contributions which would otherwise be payable by members as prescribed in subsection (1) ~~commencing with the third quarter of 1984~~. The contributions so picked up shall be treated as employer contributions for purposes of determining the amounts of federal income taxes to withhold from the member's compensation.

(b) Member contributions picked up by the employer shall be paid from the same source of funds used for the payment of compensation to a member. A deduction shall be made from each member's compensation equal to the amount of the member's contributions picked up by the employer, provided that such deduction shall not reduce the member's compensation for purposes of computing benefits under the system.

(c) Member contributions picked up by the employer shall be remitted quarterly, or as the board may otherwise provide, to the executive director for credit to the Kansas public employees retirement fund. Such contributions shall be credited to a separate account within the member's individual account so that amounts contributed by the member ~~commencing with the third quarter of 1984~~ may be distinguished from the member contributions picked up by the employer. Interest shall be added annually to members' individual accounts.

Sec. 6. K.S.A. 2012 Supp. 74-49,135 is hereby amended to read as follows: 74-49,135. (a) The provisions of this section and any related provisions shall not be implemented until the board of trustees of the Kansas public employees retirement system has obtained approval for the election and related provisions specified in this section from the federal internal revenue service. The board may implement the remainder of this act prior to implementation of this section. To that end, this section and provisions related thereto are severable from the remainder of this act and shall be

repealed if the federal internal revenue service refuses to grant such approval or issues an adverse decision.

(b) Except as otherwise provided in this act, a member of the system under the provisions of K.S.A. 74-4901 et seq., and amendments thereto, on July 1, 2013, may elect to: (1) Contribute, commencing January 1, 2014, 5% of such member's compensation as employee contributions, and commencing January 1, 2015, and in each subsequent calendar year, 6% of such member's compensation as employee contributions, and to receive an amount for participating service equal to the total of 1.85% of such member's final average salary; or (2) continue to contribute 4% of such member's compensation as employee contributions, and to receive an amount for participating service equal to the total of 1.4% of such member's final average salary. Members shall make such election within a 90-day period established by the board.

(c) (1) Elections made pursuant to this section shall be made on a form and in a manner prescribed by the board.

(2) A member failing to make an election pursuant to subsection (b) shall contribute, commencing January 1, 2014, 5% of such member's compensation as employee contributions, and commencing January 1, 2015, and in each subsequent year, 6% of such member's compensation as employee contributions, and shall receive an amount for participating service equal to the total of 1.85% of the member's final average salary.

(3) An election under this section, including the default election pursuant to subsection ~~(d)(2)~~ ~~(c)(2)~~, is a one-time irrevocable election.";
