Eternal God, in whose perfect kingdom no sword is drawn but the sword of righteousness, no strength known but the strength of love: Help us to not only hear the words but see the hearts of those with whom we converse, as we look into the others eyes help us to see the light of your presence and creative spirit. #### EXPLANATION OF VOTE

Mr. Vice-President: I vote NO on the conference committee report on **HB 2216**. I repeat my previous arguments that joint committees provide opportunities for more thorough discussion of issues and for legislators from the House and Senate to work together. I want to add the argument that if the goal is to reduce expenditures, we might be able to have fewer full legislative days if proposals can be vetted in interim committees before the regular session begins. It was said that not all of the current committees are needed, yet this same afternoon that we are voting to eliminate the Legislative Educational Planning Committee, we are considering a bill that creates a new committee to review the common core standards. That issue is one that the Legislative Educational Planning Committee should have been asked to review. —

MARCI FRANCISCO

Senator Faust-Goudeau requests the record to show that she concurs with the "Explanation of Vote" offered by Senator Francisco on **S Sub for HB 2216**.

"New Sec. 6. (a) (1) Except as provided in subsection (a)(2), commencing with fiscal year 2018, in any fiscal year in which the amount of selected actual state general fund receipts from such fiscal year exceeds the selected actual state general fund receipts for the immediately preceding fiscal year by more than 2%, the director of legislative research shall certify such excess amount to the secretary of revenue and the director of the budget. Upon receipt of such certified amount, the secretary shall compute the excess percentage increase in selected actual state general fund receipts above 2%. Based on such excess percentage of calculated receipt growth, the secretary shall compute the income tax rate reductions to go into effect for the next tax year that would reduce by such certified amount the tax rates during the fiscal year after the next fiscal year according to the provisions of this section, as follows: (A) Rate reductions for individual income tax rates shall be applied to reduce the highest marginal income tax rate applicable to the current tax year, by such excess percentage minus 0.5%, and the lowest marginal income tax rate applicable to the current tax year by such excess percentage plus 0.5%, except that in no case shall such excess percentage plus 0.5% result in an income tax rate increase. In any such computation by the secretary pursuant to this subsection: (i) The resulting income tax rate shall be rounded down to the nearest 0.1%; and (ii) in any case in which the income tax rate for any individual marginal income tax rate is below 0.4%, such rate shall be 0%. Based on all such determinations, the secretary shall reduce individual income tax rates prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section;

(B) upon all individual marginal income tax rates being reduced to 0% pursuant to the provisions of subsection (a)(1)(A), rate reduction next shall be applied for the surtax on corporations applicable to the current tax year by such excess percentage. In any such computation by the secretary pursuant to this subsection in which the surtax is below 0.4%, such surtax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section; and

(C) upon the surtax on corporations being reduced to a rate which when combined with the normal tax rate on corporations is equal to or below the combined surtax and normal tax imposed on national banking associations and state banks or is equal to or below the combined surtax and normal tax imposed on trust companies and savings and loan associations, rate reductions shall be proportionately applied for the tax on corporations, the tax on national banking associations and state banks, and the tax on trust companies and savings and loan associations. Such rate reductions shall be first applied to the surtax until reduced to 0% and then applied to the normal tax for each such tax. In any such computation by the secretary pursuant to this subsection in which any such tax is below 0.4%, such tax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax and the normal tax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, the surtax and normal tax on national banking associations and state banks prescribed by K.S.A. 79-1107, and amendments thereto, and the surtax and normal tax on trust companies and savings and loan associations prescribed by K.S.A. 79-1108, and amendments thereto, as required by this section.

(2) In any fiscal year in which the amount of selected actual state general fund receipts for such fiscal year are 102% or less than the selected actual state general fund

receipts from the immediately preceding fiscal year, the director of legislative research shall certify such amount and fact to the secretary of revenue and the director of the budget. Upon receipt of such amount and fact, the secretary of revenue shall not make any adjustment to the income tax rates for that tax year.

(b) The secretary of revenue shall report any reduction in income tax rates prescribed by this section to the chairperson of the assessment and taxation committee of the senate, the chairperson of the taxation committee of the house of representatives and the governor, and shall cause notice of any such reduction to be published in the Kansas register prior to September 15 of the calendar year immediately preceding the tax year in which such reduction takes effect.

(c) As used in this section, "selected actual state general fund receipts" means receipts from the following taxes and fees: Individual and corporation income taxes imposed under K.S.A. 79-32,110, and amendments thereto, financial institutions privilege taxes imposed under article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, retail sales taxes imposed under K.S.A. 79-3601 et seq., and amendments thereto, compensating use taxes imposed under K.S.A. 79-3701 et seq., and amendments thereto, cigarette and tobacco product taxes imposed under K.S.A. 79-3301 et seq., and amendments thereto, cereal malt beverage and liquor gallonage taxes imposed under K.S.A. 41-501 et seq., and amendments thereto, liquor enforcement taxes imposed under K.S.A. 79-4101 et seq., and amendments thereto, liquor drink taxes imposed under K.S.A. 79-41a01 et seq., and amendments thereto, corporation franchise taxes imposed under K.S.A. 79-5401, and amendments thereto, annual franchise fees charged pursuant to law and mineral severance taxes imposed under K.S.A. 79-4216 et seq., and amendments thereto.

New Sec. 7. (a) For any taxable year commencing after December 31, 2012, a credit shall be allowed against the tax imposed by the Kansas income tax act on the Kansas taxable income of an individual income taxpayer who purchased food in this state, had federal adjusted gross income for the tax year that did not exceed \$30,615, and meets the qualifications in subsections (b) and (c).

(b) During the entire tax year a taxpayer filing single, head of household, or married filing separate, or the taxpayer and the taxpayer's spouse if married filing jointly, must be domiciled in this state. For purposes of this credit, "domicile" shall not include any correctional facility, or portion thereof, as defined in K.S.A. 75-5202, and amendments thereto, any juvenile correctional facility, or portion thereof, as defined in K.S.A. 38-2302, and amendments thereto, any correctional facility of the federal bureau of prisons located in the state of Kansas, or any city or county jail facility in the state of Kansas.

(c) During the entire tax year a taxpayer filing single, head of household, or married filing separate, or the taxpayer or the taxpayer's spouse if married filing jointly, must be either: (1) A person having a disability, regardless of age; (2) a person without a disability who is 55 years of age or older; or (3) a person without a disability who is younger than 55 years of age who claims an exemption for one or more dependent children under 18 years of age.

(d) The amount of the credit shall be \$125 for every exemption claimed on the taxpayer's federal income tax return, except that no exemption shall be counted for a dependent unless the dependent is a child under 18 years of age.

(e) The credit allowed under this provision shall be applied against the taxpayer's

income tax liability after all other credits allowed under the income tax act. It shall not be refundable and may not be carried forward.

(f) (1) Every taxpayer claiming the credit shall supply the division in support of a claim, reasonable proof of domicile, age and disability.

(2) A claim alleging disability shall be supported by a report of the examining physician of the claimant with a statement or certificate that the applicant has a disability as defined in subsection (g).

(g) "Disability" means: (1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of this paragraph, with respect to any individual, "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; and "physical or mental impairment" means an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time. For purposes of this paragraph "blindness" means central visual acuity of  $\frac{20}{200}$  or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of  $\frac{20}{200}$  or less.

(h) The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this section.

New Sec. 8. (a) As used in this section:

(1) "Destroyed or substantially destroyed" means damage of any origin sustained by a homestead as the direct result of an earthquake, flood, tornado, fire, storm or other event or occurrence which the governor of the state of Kansas has declared a disaster, whereby the cost of restoring the structure to its before-damaged condition would equal or exceed 50% of the market value of the structure before the damage occurred.

(2) "Homestead" means the dwelling, or any part thereof, whether owned or rented, which is occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. (1) If such homestead has been so destroyed or substantially destroyed after January 1 of a particular year but prior to August 15 of such year, the owner of such homestead may make application to such board of county commissioners for the abatement of property taxes levied upon such homestead, or if such property taxes have been paid or partially paid, may make application for the granting of a credit against property taxes payable by such owner during any or all of the next succeeding three taxable years.

(2) If such homestead has been so destroyed or substantially destroyed on or after August 15 of a particular year but prior to January 1 of the next succeeding year, the owner of such homestead may make application to such board of county commissioners for the granting of a credit against property taxes payable by such owner during any or all of the next succeeding three taxable years.

(c) An application for relief as permitted by subsection (b) may be made for abatement of property taxes assessed but not yet paid, or for a grant of a credit for assessed property taxes paid or for both, as the case may be, and may be made on or before December 20 of the year next succeeding the year for which such taxes have been assessed.

(d) Upon receipt of any such application, subject to budgetary restraints of the county or taxing subdivision arising from the event or occurrence declared a disaster by the governor, the board of county commissioners shall inquire into and make findings regarding, among other things, whether the property is a homestead, as defined in subsection (a), whether the homestead was destroyed or substantially destroyed, as defined in subsection (a) and the assessed valuation thereof. If it is determined that an owner of such homestead is entitled to an abatement of all or any portion of the property taxes levied against such homestead or is entitled to a credit against property taxes payable by such owner in any or all of the next succeeding three years, the board may issue an order so providing.

(e) The board shall not grant an application for relief by an owner who is a recipient of funds from either a public or private buyout or insurance proceeds, which, as the case may be, are of an amount equal to or greater than 50% of the entire pre-disaster value of the homestead which was destroyed or substantially destroyed.

(f) The county clerk and county treasurer shall in each case of abatement or credit correct their records in accordance therewith and the county clerk shall notify the governing body of any taxing district affected thereby.

(g) The provisions of this section shall be applicable to all taxable years commencing after December 31, 2011, and ending before January 1, 2014.

#### EXPLANATION OF VOTE

Mr. Vice President: I vote no on **SB 171**. This budget imposes a \$66 million cut over the next two years on the Kansas Board of Regents and post-secondary education institutions. This \$66 million cut comes at a time after Governor Brownback toured our state telling Kansans the funding for Kansas universities was a core responsibility of the

state that must be protected. In fact, during the tour he touted his budget as holding higher education harmless. If the Governor signs this bill into law, he will have reneged on his commitment to higher education and his tour will have been nothing more than a political charade.—ANTHONY HENSLEY

Senator Kelly requests the record to show that she concurs with the "Explanation of Vote" offered by Senator Hensley on **SB 171**.

Mr. Vice President: I vote NO on **SB 171**. There have been many questions asked about the adequacy of this budget to fund a variety of state responsibilities including corrections, education, health, transportation and services for those with disabilities. The response: we have the opportunity to revisit decisions on funding when the legislature comes back into session in January, the mid-point of the fiscal year. Yet, for several years now, the legislature has passed a single bill that includes the changes for the current year along with the future budget; those bills have passed on the last day of the session. We find ourselves here in June, adopting a supplemental budget that, if signed, will be in effect for just days of FY 2013. We have shown that we need to budget for a full year of expenditures; I do not believe that this budget gives us that assurance for FY 2014.—MARCI FRANCISCO

#### **MESSAGE FROM THE HOUSE**

Announcing the House herewith transmits a veto message from the Governor on **HB 2120**.

AN ACT concerning crimes, criminal procedure and punishment; relating to DNA evidence; relating to statute of limitations; relating to possession of a firearm during a drug felony; amending K.S.A. 2012 Supp. 21-2511, 21-5107, as amended by section 1 of 2013 House Bill No. 2252, 21-6403 and 21-6805, and repealing the existing sections, which was received on may 23, 2013 and was read before the House on May 24, 2013.

“Many concerns have been expressed regarding the constitutionality of House Bill 2120. Upon careful review, I agree the language in this legislation violated Article 15, Section 3 of the Kansas Constitution. However, I support the Legislature's policy goal of permitting certain limited raffles for charitable purposes. As such, I encourage the Legislature to consider a constitutional amendment to accomplish this goal.

Pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto House Bill 2120.”

There being no motion to reconsider **HB 2120**, the Speaker ruled the veto sustained.

Announcing adoption of **SCR 1614**.

On motion of Senator Bruce, and in compliance with **SCR 1614** the Senate adjourned until Sine Die at 10:00 a.m., Thursday, June 20, 2013.
