MEMORANDUM

To: House Committee on Appropriations
From: Nobuko Folmsbee, Senior Assistant Revisor of Statutes
Date: February 27, 2013
Subject: 2013 House Bill No. 2117

HB 2117 authorizes the supreme court to impose an additional charge to fund the cost of establishing, operating and maintaining electronic document filing, storage and management for the Kansas court system. Fees collected would be deposited in the existing judiciary technology fund. Moneys in the judiciary technology fund would be used for a state-wide system of electronic remote access, electronic case filing, technological improvements in the court system and meetings of the judicial council technology advisory committee. Expenditures from this fund would not be used for the compensation of justices or judges. (New Section 1)

All other sections are amendatory by adding language allowing the court to impose an additional charge for civil, criminal, domestic relations, juvenile adjudication, children in need of care, bond, lien, small claims, probate and other cases after July 1, 2013. (Sections 2 through 25)

This act would take effect upon publication of the statute book.
