Re: House Bill No. 2024

To: Committee on Commerce, Labor and Economic Development,

My name is Jaime Bachura and I am a District Sales Manager for Shelter Insurance Companies in Wichita, KS. I manage an agency force of 27 agents and based on the weather volatility in our area we have experienced at least 1 significant wind or hail loss each year dating back as far as 2006.

Because of these events the influx of out of town and out of state contractors has been significant and often times these mobile contractors offer cheaper prices many time with less quality work and less service after the sale. As a consumer and insurance professional in the community the protection that House Bill No. 2024 offers will provide security and peace of mind.

I am in support of passing House Bill No. 2024 and I am thankful for your consideration.
