COMMITTEE ASSIGNMENTS

CHAIRMAN: ELECTIONS

MEMBER: AGING AND LONG TERM CARE
ASSESSMENT AND TAXATION
COMMERCE AND LABOR

Dear committee members,

I want to stand here in this awkward spot in support of HB 2095. The purpose is to ask support of a policy where appointed members of the ethics commission would have term limits. The reason being is I have found that when an organization's board, especially government, does not have fresh turnover, mistakes become solidified.

It is always a benefit to have a mixture of both new and tenured. This why when and assumption is made, it is challenged on going until it is confirmed to be good policy and principle.

That said, please do not allow my chairmanship and this testimony to in anyway intimidate you to make an affirmative decision. You are always free to make a good decision here.

Thank you so much.
