

**Supporting Testimony on SB 203**

**House Federal and State Affairs Committee**

**March 25, 2013**

**Greg Hiser, Hangar One Steakhouse**

**Mr. Chairman and members of the Committee:**

**As owner of Hangar One Steakhouse in Wichita, Kansas I would like to ask the Committee to support SB 203 in its entirety but specifically the section to permit restaurants to use wine self-service technology to dispense wine under the strict supervision of restaurant management and staff.**

**The use of these machines would allow Hangar One Steakhouse to continue to operate competitively by offering a more extensive selection of high quality wines while keeping spoilage to a minimum and also enhancing our ability to control unlawful consumption.**

**Thank you for your consideration.**
